

Ain Shams University
Faculty of Women for
Arts, Science and Education
Botany Department

Biochemical studies on the production of biodiesel from some species of fungi

A Thesis

**Submitted in Partial Fulfillment for the Requirements
of the Degree of Master of Science in (Microbiology)**

By

Sayedra Abdelrazek Abdelhamid Abdelrheem

B.Sc. Microbiology & Chemistry,
Ain Shams University
2009

To

**Botany Department, Faculty of Women for Arts, Science and
Education, Ain Shams University**

Supervised by

Prof. Dr. Azhar Abd El Karim Hussein

Prof. of Microbiology, Botany Department, Faculty of Women for Arts,
Science and Education, Ain Shams University.

Prof. Dr. Osama Hamed El Sayed

Prof. of Microbial Biotechnology, Microbial Biotechnology Department,
National Research Centre (NRC).

Prof. Dr. Mohsen Selim Asker

Prof. of Microbial Biotechnology, Microbial Biotechnology Department,
National Research Centre (NRC).

2018

Arts, Science and Education
Botany Department,

Student name: Sayeda Abdelrazek Abdelhamid

Thesis title: Biochemical studies on the production of
biodiesel from some species of fungi

Degree name: Master

Supervision committee

Prof. Dr. Azhar Abd El Karim Hussein.....

Prof. of Microbiology, Botany Department, Faculty of Women for Arts,
Science and Education, Ain Shams University.

Prof. Dr. Osama Hamed El Sayed.....

Prof. of Microbial Biotechnology, Microbial Biotechnology Department,
National Research Centre (NRC).

Prof. Dr. Mohsen Selim Asker.....

Prof. of Microbial Biotechnology, Microbial Biotechnology Department,
National Research Centre (NRC).

DECLARATION

**This Thesis has not been previously
submitted for a degree at this or any other
University, and is the original work of the
writer.**

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

قَالَ تَعَالَى:

« يَرْفَعُ اللَّهُ الَّذِينَ آمَنُوا مِنْكُمْ وَالَّذِينَ

آمَنُوا الْعِلْمَ كَرَجَاتٍ وَاللَّهُ بِمَا تَعْمَلُونَ خَبِيرٌ »

صَلَّى اللَّهُ عَلَيْكَ

(الْبَقَرَةُ: ١٢٨)

ACKNOWLEDGEMENTS

*First and foremost I feel always indebted to **Allah**, the kindest and the most merciful*

*I would like to thank **Prof. Dr. Azhar Abd El Karim Hussein**, Professor of Microbiology, Botany Department, faculty of Women for Arts, Science and Education, Ain Shams University for her sincere supervision and assistance in this work.*

*I would like to thank **Prof. Dr. Osama Hamed El Sayed**, Researcher Professor of Microbial Biotechnology, National Research Centre for the continuous support of my master study and research, for her patience, motivation, enthusiasm, and immense knowledge.*

*I would like to thank **Prof. Dr. Mohsen Selim Asker**, Researcher Professor of Microbial Biotechnology, National Research Centre for his wide knowledge, logical way of thinking, valuable advice, moral support, extensive discussions around my work, and interesting exploration in the experimental part, sincere supervision and assistance in this work.*

*I would like to thank, **Dr. Sahar Saleh Mohamed**, Researcher of Microbial Biotechnology, National Research Centre for her sincere supervision and assistance in this work.*

*I would like to thank **Prof. Dr. Tarek Ali Kamal Kahil**, Researcher Professor of Microbial chemistry, **Prof. Ass. Magdy Ali Gadallah** Researcher Professor assistance of Microbial Biotechnology, **Dr. Shima Rameh Hamed**, Researcher of Microbial Biotechnology, **Dr. Marawa Ebrahim**, Researcher of Microbial Biotechnology, and **Prof. Dr. Sanaa Abd El-Halim** Researcher Professor of Chemical Engineering & Pilot Plant, National Research Centre for their sincere assistance in this work .*

*Many thanks to all my professors, friends, and all staffs of **Microbial Biotechnology Department, National Research Centre and Botany Department, faculty of Women for, Arts, Science and Education** for their continuous encouragement and support during the whole study.*

Finally, my gratitude appreciation and deep thanks to all members of my family, for continuous encouragements.

DEDICATION

To my darling father's spirit, Mr. Abdel Razek Abdel Hamid, the strong and gentle soul who taught me to trust in Allah and believe in hard work and pushed me towards success in life. I just want to say thank you for all the sacrifices you made, all the support you gave me, all the guidance you gave when I needed it. I love you with all of my heart and I am proud of you.
