Acknowledgment

First and foremost , thanks to “ *ALLAH* “ , the most gracious , most merciful .

I would like to express my appreciation and deepest gratitude to *Prof. Dr. Abubakar Alsidique moustafa Salamah* , Professor of general surgery , Ain shams university , for planning and supervising this work , for his constructive criticism , and his valuable guidance all through this work .

I would like to express my utmost gratitude and appreciation to *Prof. Dr. Nadia Alyaid Alsamny* , Professor of pathology , Ain shams university , for giving me so-much attention and support .

I am much obliged to *Assist. Prof. Dr. Osama Ibrahim seif* , Assistant Professor of general surgery , Ain shams university , for his sincere advices , and unlimited support , and for giving me so-much attention and time all through this work .

Also, I wish to express my deepest appreciation to *Mr. Dr. Mohammed Belal Abdullah* , consultant general surgery , F. R C. S. , the head of surgery department and laparoscopic unit , New Jeddah Clinic – Jeddah , and to *Dr. Med. Walood Lutfy Buhary* , consultant laparoscopic surgeon & head of laparoscopy unit , King Fahd Hospital – Jeddah ., their fruitful help , support , and guidance were important factors in the establishment of such work .

Lastly , my appreciation and gratitude to my own family , for its endless support .

Tarek Mohammed Abdul halim
