إنك أنت العليم الحكيم» صورة البقرة «آية

صدق الله العظيم

Acknowledgment

I wish to express my deep appreciation and gratitude to Dr Rabah M. Shawky prof. of Pediatrics, & Genetics, Head of Genetics Unit. Ain shams University for giving me the privilege of working under her supervision and helpful guidance . Her advices were always stimulating and especially essential to complete this work .

I wish to express my sincere gratitude to Dr. Eman A. Zaky, Lecturer of pediatrics, Ain shams University for her valuable support and meticulous supervision.

Contents

	Page
Introduction and Aim of the essay	1
Review of Literature	
Fragile x-syndrome	
- Historical review of fragile x-syndrome	3
- Incidence of fragile x- syndrome	5
- Genetic back ground of fragile x-syndrome	8
- Diagnosis of fragile x- syndrome	17
- Clinical expression of fragile x- syndrome in hemizygotes	29
- Clinical expression of fragile x-syndrome in heterozygotes	47
- Genetic counseling in fragile x-syndrome	51
- Management of fragile x-syndrome	56
X-Linked Mental Retardation	
- Historical review of XLMR	57
- Incidence of XLMR	59
- Nosology of XLMR	60
- XLMR in heterozygotes (Females)	74
- X- linked α thalassaemia MR	76
- X Linked hydrocephalus	84
- X- linked ichthyosis and Contiguous gene defects	85

- Non - specific X-linked mental retardation	89
- Clinical pictures of non - specific X-linked mental retardation.	92
- Genetic classification of non - specific X-linked mental retardation	94
- Molecular studies of XLMR	104
- Genetic counseling of non - specific X-linked mental retardation	109
- Prenatal diagnosis of XLMR	110
