ACKNOWLEDGEMENT

Fist and foremost, may all thanks and praise be to God; the most merciful. Without his blessing, this work would have never existed and completed.

I would like to thank *Dr. Helmy Ibrahim Sallam*, Associate Professor of Accounting, Accounting Department, Faculty of Commerce, Cairo University, for giving me the great honor of working under his supervision and learning from him. I am greatly indebted and grateful to him for his invaluable help, continuous guidance, encouragement and patience. Deep gratitude and appreciation for his great help.

I would like to express my gratitude and deep appreciation to *Dr. Ashraf Mahmoud Kadry El-Sharkawy*, Associate Professor of Accounting, Accounting Department, Faculty of Commerce, Cairo University, for accepting to be a member in the examination committee. I am deeply grateful to him for the time he has offered to me, valuable care, endless co-operation, continuous directions and support. I really do not find words to appreciate his support.

I would also like to thank *Mr. Ali Ismail Shaker*, the Chairman and Managing Director of National Bank for Development, for being a member in the examination committee, and sparing some of his invaluable time for the purpose of discussing this thesis. His presence gave the researcher the chance to benefit from his long and valuable experience in the field of banking.

My deep recognition and appreciation to *Dr. Tarek Mohamed Hassanain Ismail*, Associate Professor of Accounting, Accounting Department, Faculty of Commerce, Cairo University, for his help, follow-up, continuous support and valuable advices.

A sincere appreciation is given to *Mr. Tarek Ali Zaki*, Manager of Debts Recovery Department, Misr International Bank, for his valuable discussions, full co-operation, assistance, encouragement and support. I would like to thank him deeply for the time and knowledge offered to me to complete this thesis.

Many thanks to *Mr. Ahmed Abdel Salam*, Director of the International Organizations Department, Capital Market Authority (CMA), Egypt, for his support, kind co-operation and the time he spent with the researcher.

I wish all the best to every one who helped me; may God bless every one.

And last, but not least, I am totally indebted to my family, who loved me, cared about me all the way, and shared with me all my emotions throughout my work in this thesis. Their moral support is one of the most important reasons behind my success. Where I am today is all because of ALLAH, then them.

DEDICATION

To the Soul of My Father

To My Mother

For Her Loving Heart, Wisdom, Patience and
Unlimited Kindness

May God Grant Her Health & Happiness

To My Brothers & Sister

For Their Endless Moral
Support & Encouragement

May God Bless All of Them
