Acknowledgment

First of all, I would like to thank Allah for helping me to accomplish this work,

I am deeply indebted and grateful to Prof. Dr. Heba Hamed Al .shahawy. Professor of Psychiatry, Faculty of Medicine, Ain Shams University for her kind supervision, generous help, and advising me thoroughly during this work,

I would like to express my deepest gratitude to Assist Prof. Dr. Mona Hassan Assistant Professor of Psychiatric-Mental Health Nursing, Faculty of Nursing, Ain Shams University, for her effort, illuminating meticulous supervision, criticism, sincere guiding, constant support, encouragement and patience to produce this work in its present form.

I would like to express my gratitude to Dr. Amal Elias lecturer of Psychiatric-Mental Health Nursing, Faculty of Nursing, Ain Shams University, for her effort, illuminating supervision and guiding.

My deep heart gratitude and thank fullness for My Family. Last but not least, I would like also to express my gratitude and appreciation to all those who helped me directly or indirectly for the completion of this work,

✍ The candidate Wafaa

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

قَالَ

لَسْبَحَانَكَ يَا مُعَلِّمَ لَنَا
إِلَّا مَا عَلَّمْتَنَا إِنَّكَ أَنْتَ
الْعَلِيمُ الْعَظِيمُ

صدق الله العظيم
