Acknowledgement

First and fore most, thanks to

ALMIGHTY ALLAH

To whom any success in life is related

I am greatly honoured to have been supervised by

Professor Dr. Mohamed Samy El Beblawy

Professor of Radiodiagnosis

Faculty of Medicine, Ain Shams University

Who contributed with his valuable advice,
patience, support & enthusiastic encouragement in the
completion of this work

My sincere gratitude to

Dr. Karima Maher

Lecturer of Radiodiagnosis

Faculty of Medicine, Ain Shams University

For her generous help , support & kind assistance

My deepest and profound appreciation for my parents and my father
& mother in law for their continuos support and encouragement.

Finally my deepest thanks to My Fiancée Wesam who supported
me in this work all the time.
