Acknowledgement

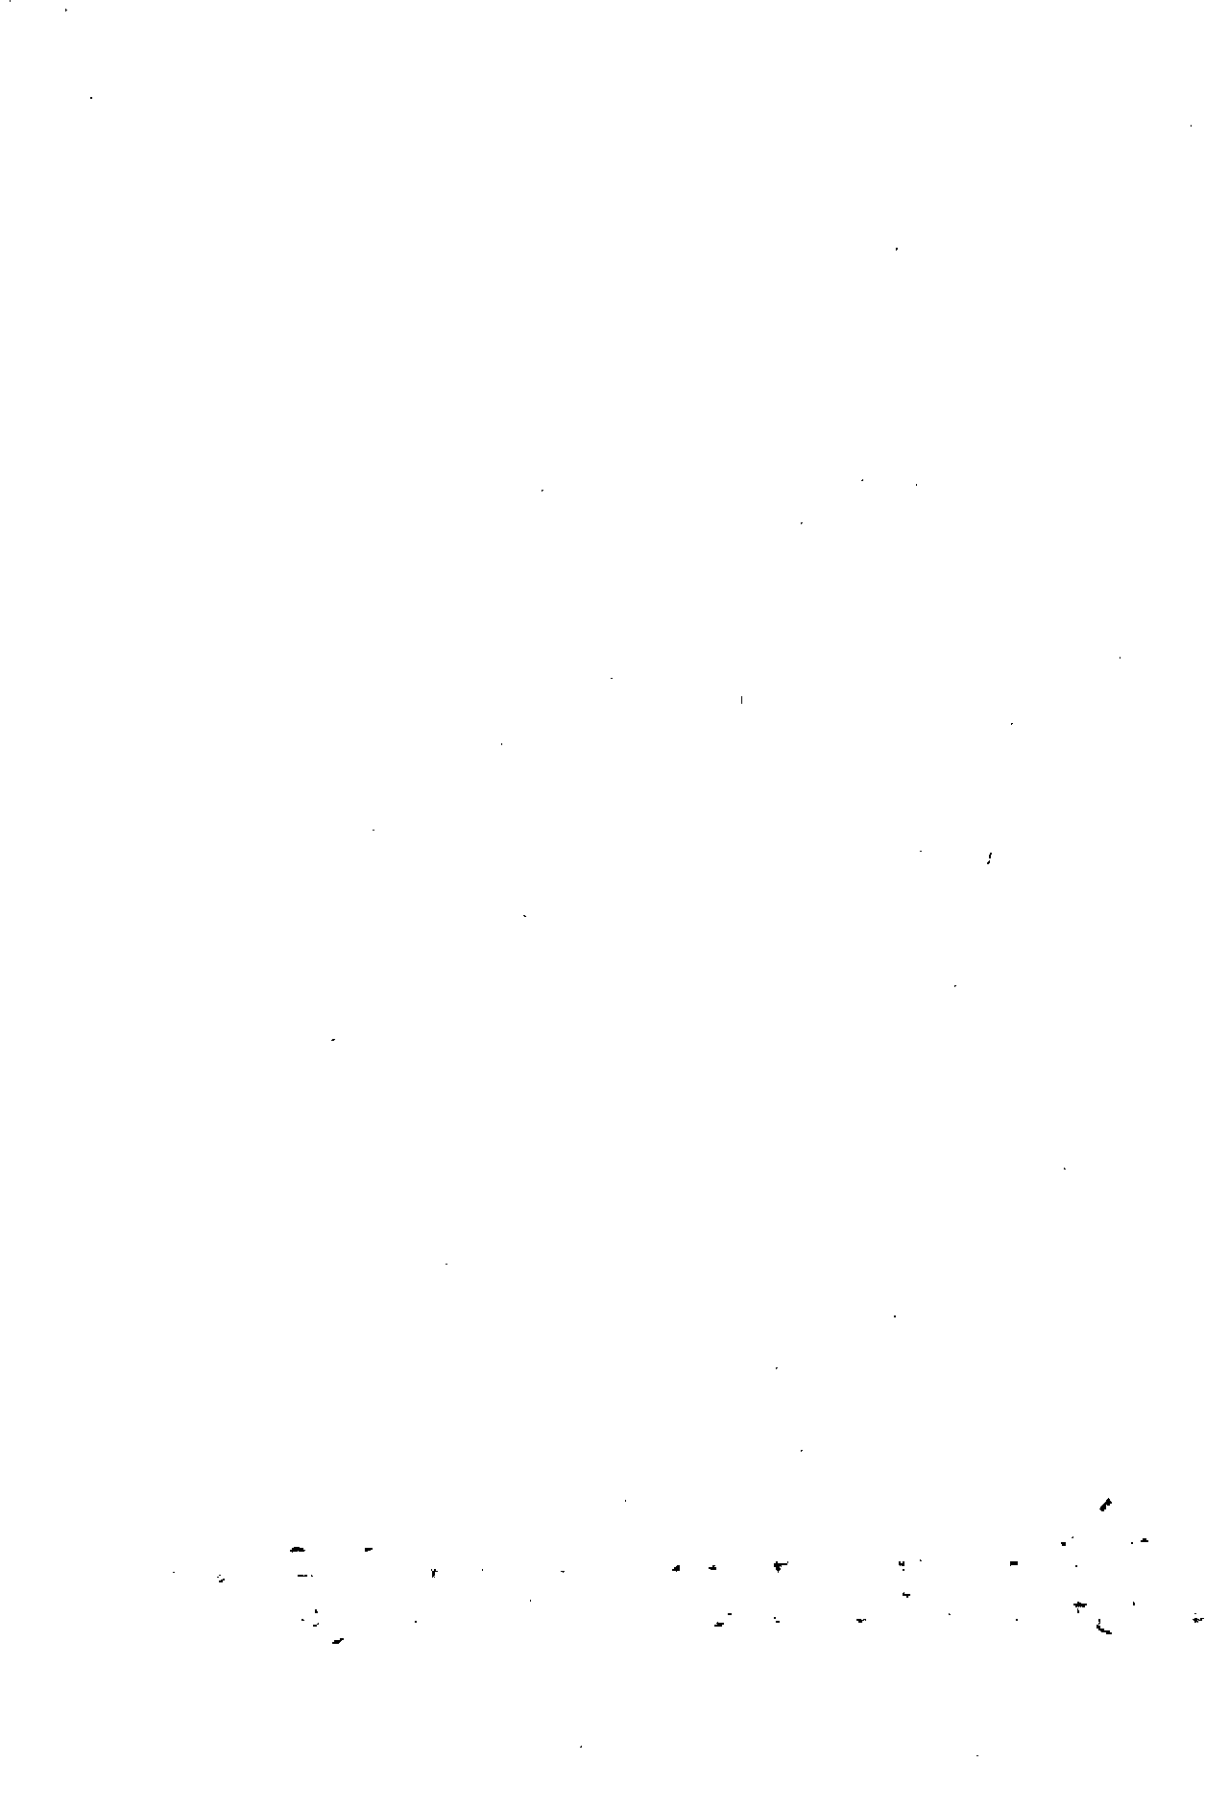

First and for most, I would like to express my profound thanks to **GOD**

I would like to express my gratitude and appreciation to Prof. Dr. Hassan Adel Badran, Professor of Plastic Surgery Ain Shams University. Words can not describe how grateful I am for his meticulous supervision, constructive criticism, and fruitful guidance, all are deeply and heartily appreciated.

My attempts to acknowledge Prof. Dr. Tahany El-Senousy, Professor of Medical-Surgical Nursing Department, High Institute of Nursing, Ain Shams University, for supervising this work, will necessarily fall short. I am indebted to her, whose meticulous views, opinions, expertise and continuous enthusiasm and commitment. I would not have been able to complete this work without her.

My sincerest thanks to Dr. Mahasen Ibrahim Abd El-Sattar, Lecturer of Medical Surgical Nursing, High Institute of Nursing, Ain Shams University, for her helpful encouragement, and guidance throughout the study.
