Acknowledgment

Thanks God for everything and for being able to put together this essay.

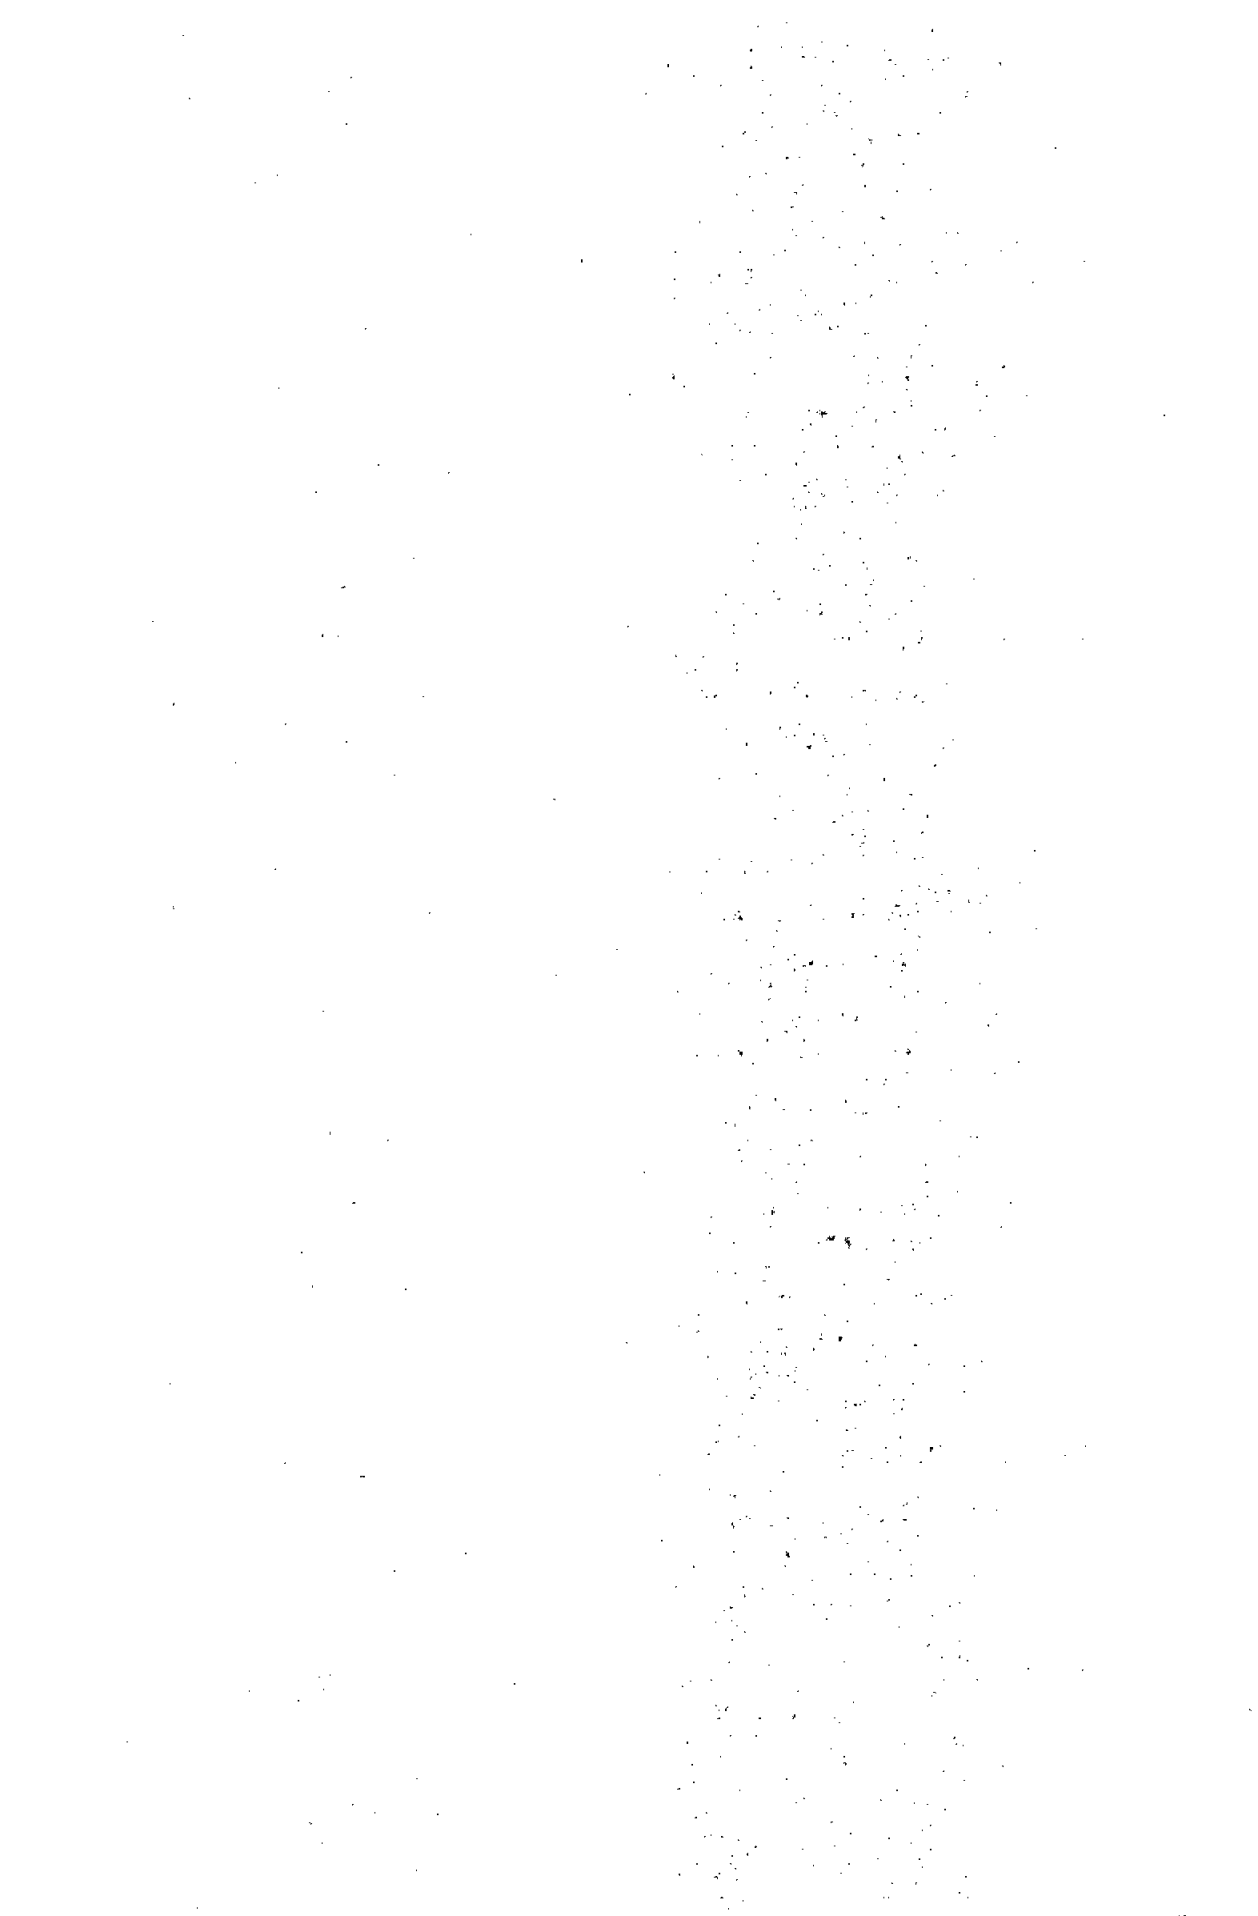

I shall begin by expressing my most sincere gratitude to Professor Dr. Ibrahim Abdel Ghani Ibrahim, for his continuous encouragement throughout the work. His wise guidance was essential to furnish this essay and bring it to its final appearance.

I also wish to express my deepest thanks to Dr. Khaled Hassan Saad, without whom I could not have completed this essay. Thank you for all the time and effort.

A special thanks goes to Dr. Mohammed Ahmed Hanafy without whom this work could not have been completed. He found so much time to spare for me helping me gather the information and reading and correcting it with great care.

Last but not least, I wish to express my deepest gratitude to my family and friends for their persistent encouragement throughout the work.

Mahmoud Ibrahim Wageih
