﴿قُلْ إِنَّ صَلَاتِي وَنُسُكِي وَمَحْيَايَ وَمَمَاتِي

لِلَّهِ رَبِّ الْعَالَمِينَ﴾

صدق الله العظيم

سورة الأنعام / آية ١٦١

Acknowledgement

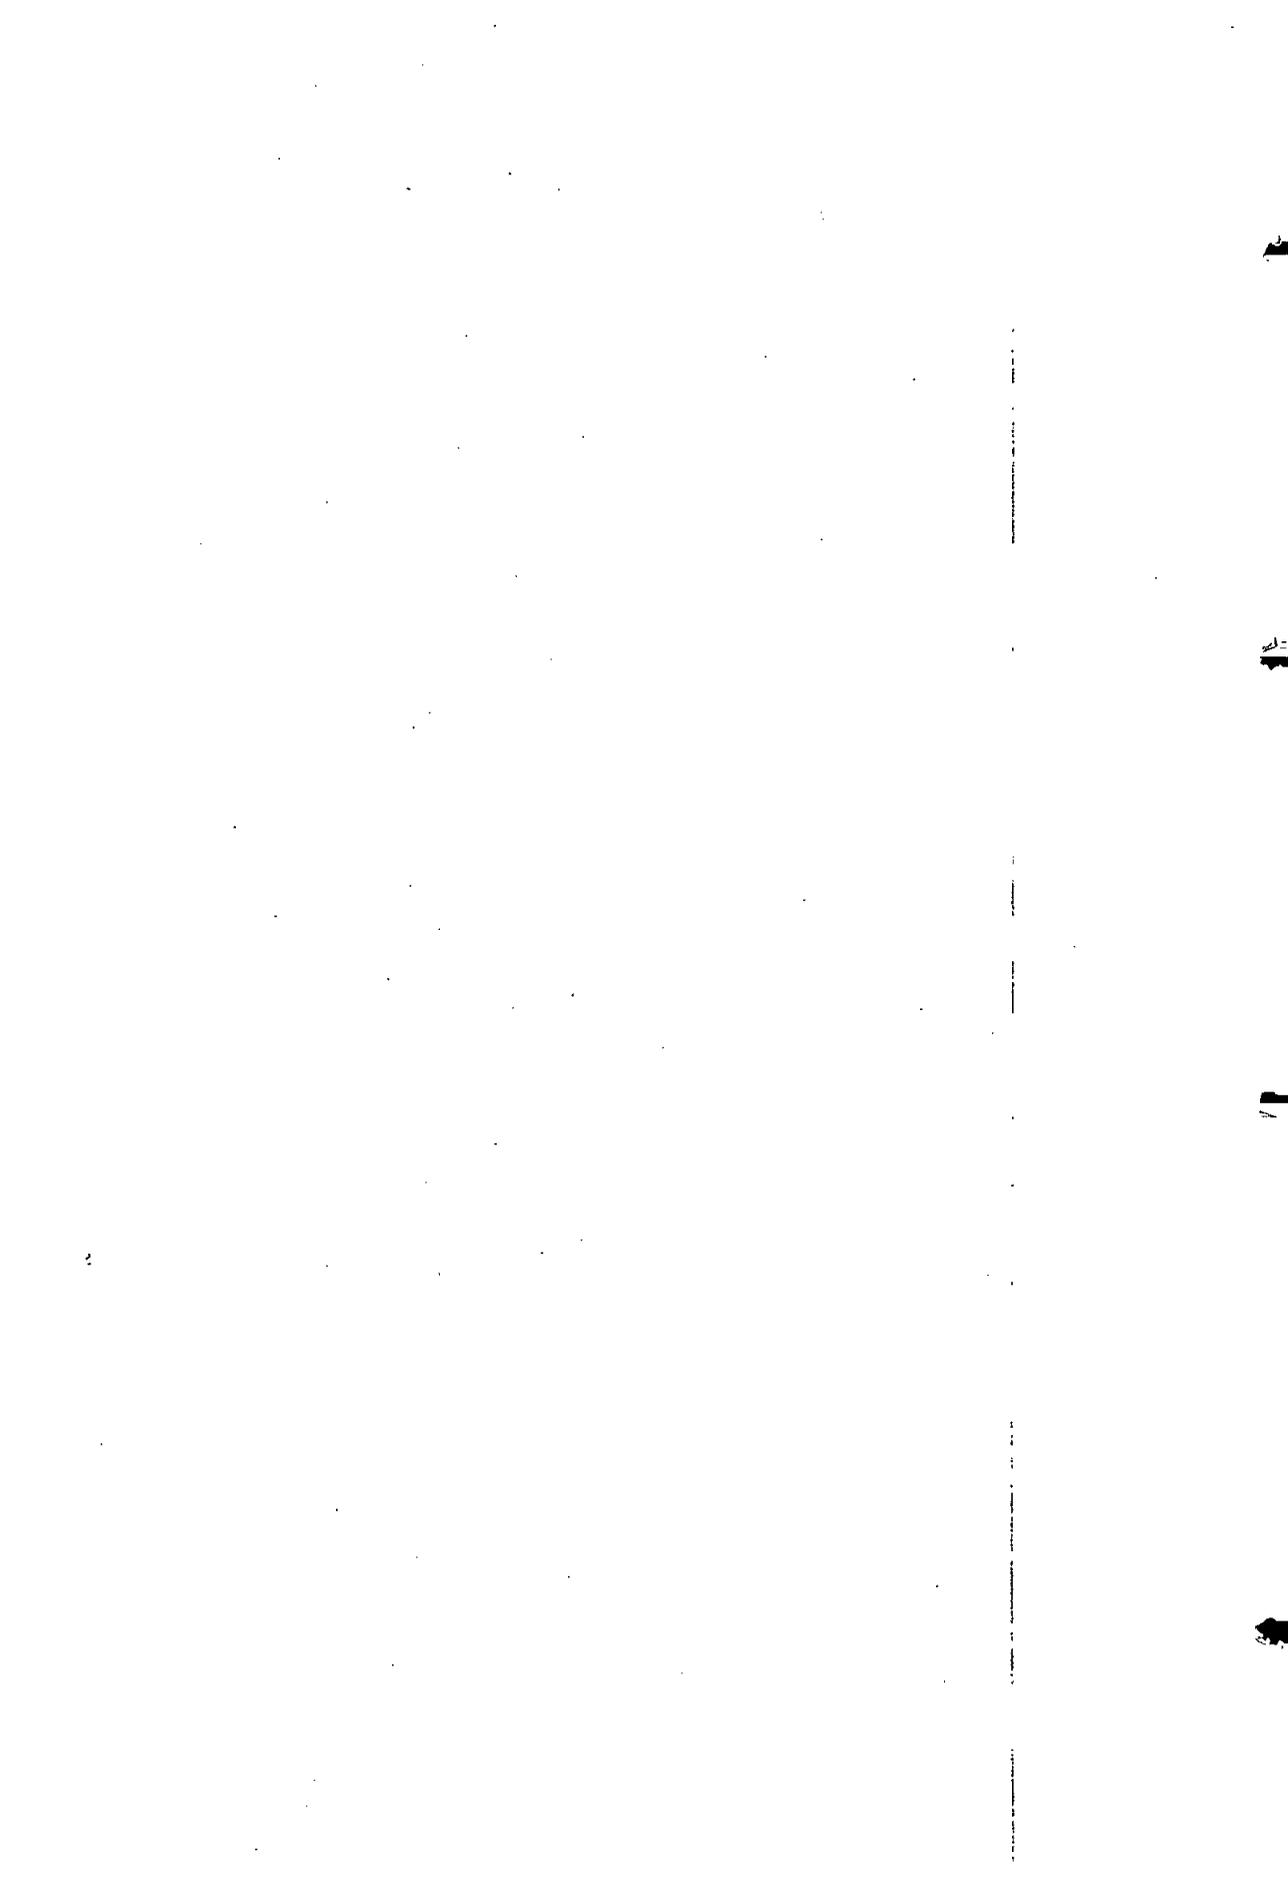

First and Formost Praise to Allah

Words fail to express my deep appreciation and gratefulness to Prof. Dr. Alaa El-Din Abdel Hay, Professor of Neurosurgery, Ain Shams University, for his support and unlimited help which were of utmost value in accomplishing this research work and I dedicate this work for his soul.

I wish to express my deepest appreciation to Prof. Dr. Saad Sayed Eissa, Professor & Head of Pathology Department, National Cancer Institute, Cairo University, for his valuable advice and encouragement during all the stages of this research work.

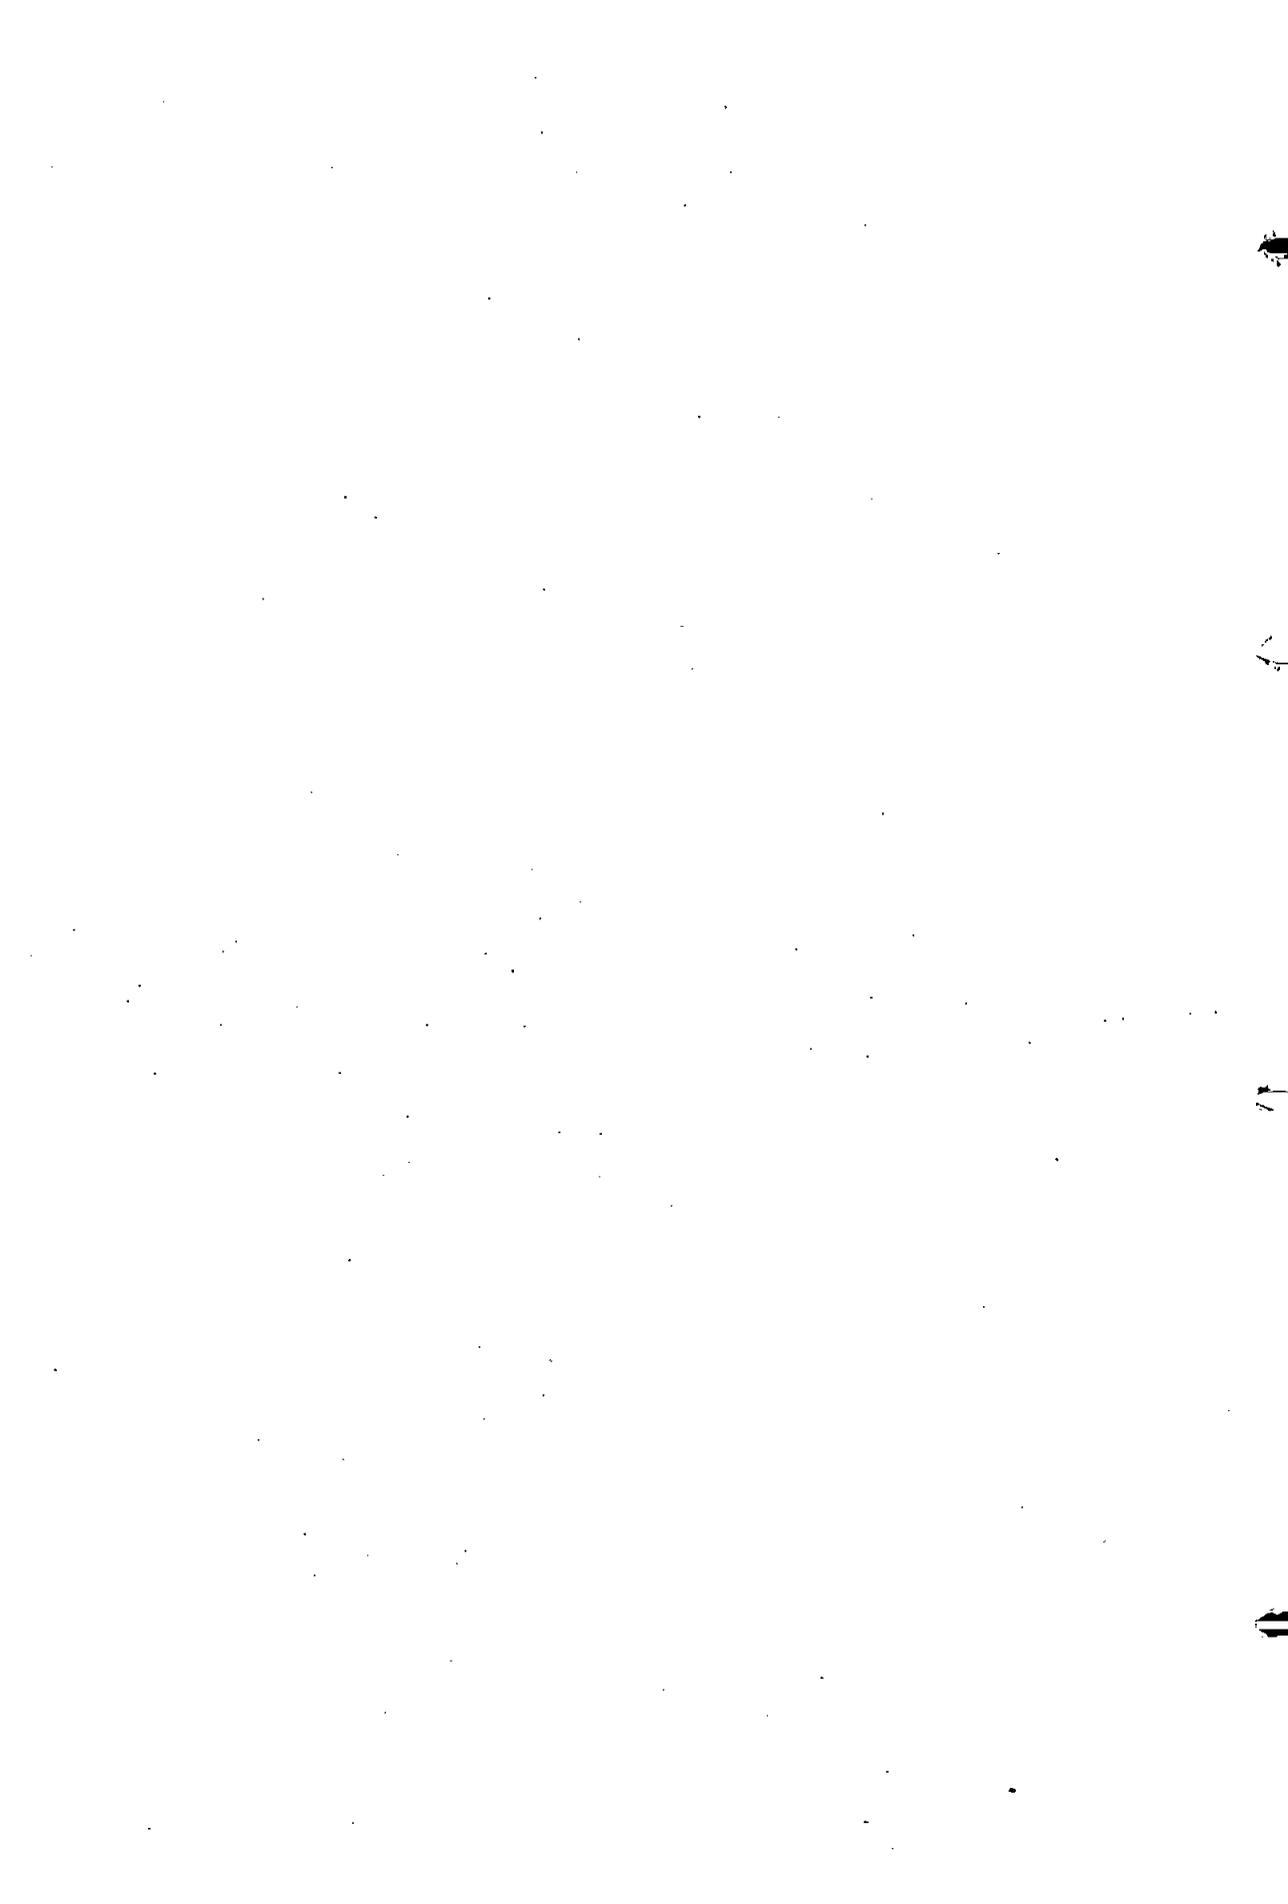

I'm also very grateful to Dr. Saeed Sayed Abde; Baky, Professor of General Surgery, Faculty of Medicine, Ain Shams University, for his active support and advice which were of value in the implantation of this research.

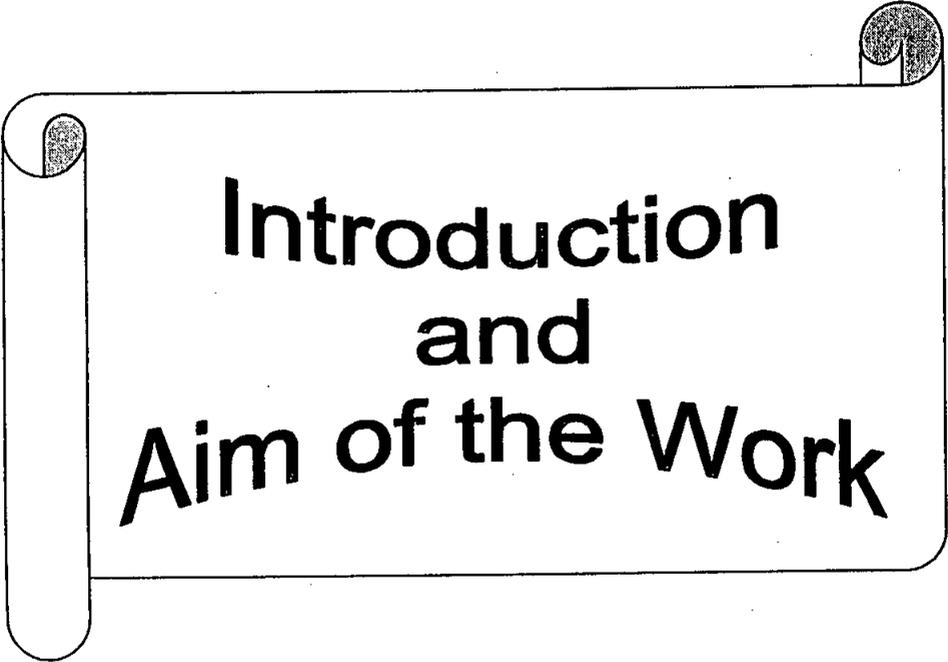

Finally, I'm much obliged to all the staff members of Neurosurgery Department, Faculty of Medicine, Ain Shams University, for their constant support and help.
