# **Effect of Different Anaesthetic Techniques on serum Interleukin-6; A New Marker of Surgical Stress**

*Theses submitted for Partial Fulfillment of the M. D. Degree in Anaesthesia*

*By*

**Adel Mikhail Fahmy**

M.B.B.ch., M.Sc., Ain Shams University

*Under Supervision of*

**Prof. Dr. Hussein Hassan Sabri**

Professor of Anesthesia and Intensive Care  
Faculty of Medicine - Ain Shams University

**Prof. Dr. Ahmed Abdel Kader Sheesh**

Professor of Anesthesia and Intensive Care  
Faculty of Medicine - Ain Shams University

**Prof. Dr. Mostafa Kamel Fouad**

Professor of Anesthesia and Intensive Care  
Faculty of Medicine - Ain Shams University

**Prof. Dr. Azza Mohamed Shafic**

Assistant Professor of Anesthesia and Intensive Care  
Faculty of Medicine - Ain Shams University

**Prof. Dr. Eman Mahmoud Abdel Salam**

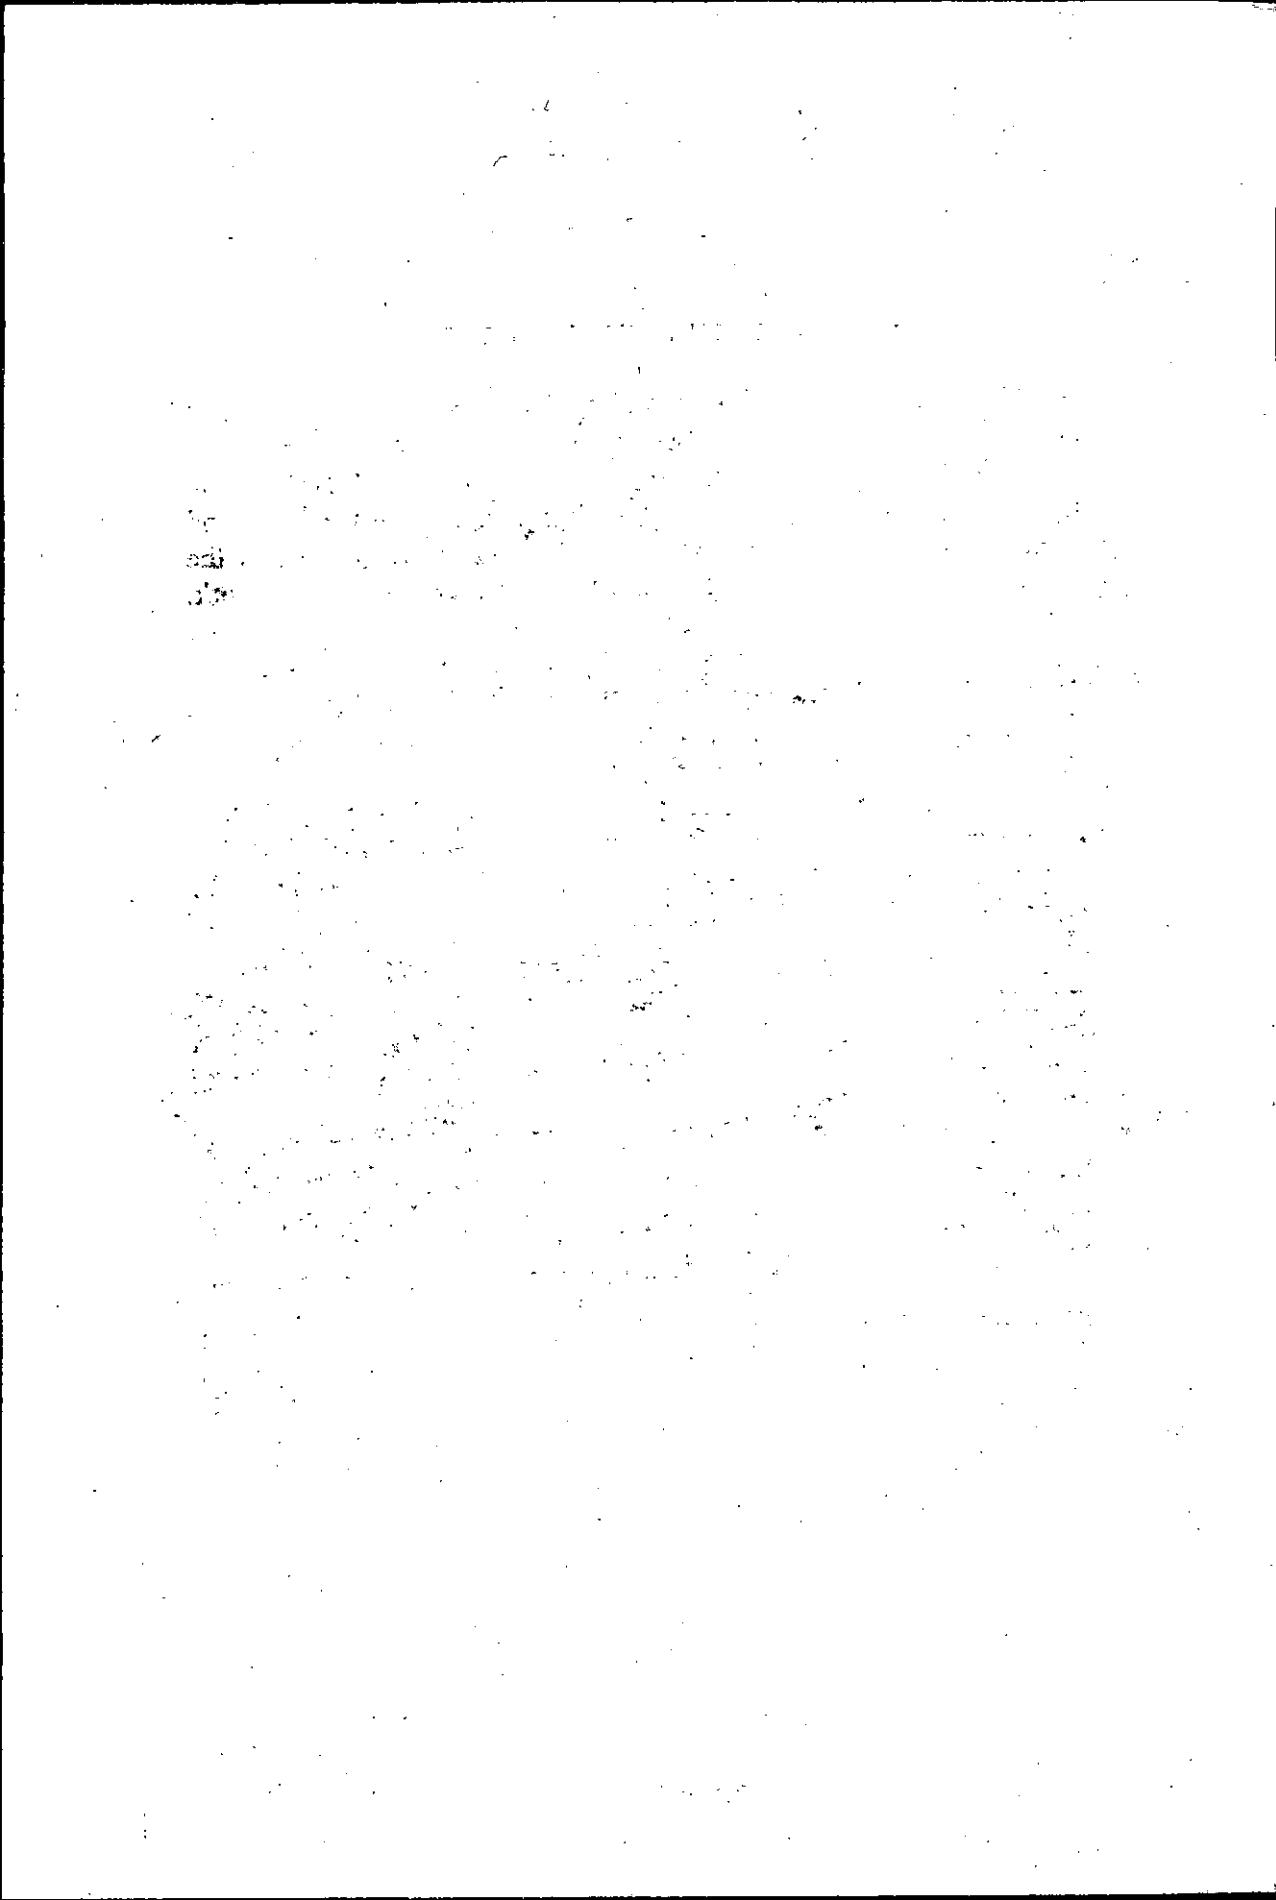

Assistant Professor of Biochemistry  
Faculty of Medicine - Ain Shams University

## ACKNOWLEDGEMENT

First; thanks are all due to **GOD** for blessing this work until it has reached its end as a part of His generous help throughout my life.

I would like to extend my utmost gratitude and appreciation to **Prof. Dr. Hussein Hassan Sabri**; professor of Anesthesia and Intensive care, Faculty of Medicine, Ain Shams University, for the great guidance and encouragement he gave me throughout this work. It is a great honor to work under his supervision.

I would like to direct special thanks to **Prof. Dr. Ahmed Abdel Kader Sheesh**; professor of Anesthesia and Intensive care, Faculty of Medicine, Ain Shams University, for his great support, valuable and wise guidance during the whole work.

I am also very thankful to **Prof. Dr. Mostafa Kamel Fouad**; professor of Anesthesia and Intensive care, Faculty of Medicine, Ain Shams University, for the great effort he made and generous help he gave me in each step of this work.

I am deeply indebted to **Prof. Dr. Azza Mohamed Shafic**; assistant professor of Anesthesia and Intensive care, Faculty of Medicine, Ain Shams University, for her close supervision, continuous help and the great effort she made during the preparation and revision of the whole work.

I am also very thankful to **Prof. Dr. Eman Mahmoud Abdel Salam**; assistant professor of Biochemistry, Faculty of Medicine, Ain Shams University, for her support and her great effort she made in this work until it reached its end.

I am also greatly thankful to all my professors, senior staffs and colleagues for their overlasting support.

Adel Mikhail Fahmy

.

To my Family
