ACKNOWLEDGMENT

Thanks to Allah; the source of all gifts, for his abundant unlimited aid and support that make aims and ideas come to fruition and reality.

I would like to express my deepest gratitude to ***Prof. Dr. Ahmed Fawzi Bahnasy***, **Professor of General and Pediatric Surgery, Ain Shams University**, for his encouragement, guidance and sincere directions from the very beginning of this thesis.

I would like to express my supreme gratitude and appreciation to ***Prof. Dr. Mohamed Ali Madwar***, **Professor and Head of Tropical Medicine Department, Ain Shams University**, for giving me the chance to undertake the subject of this thesis. His constant encouragement, kind guidance, close supervision and generous support are sincerely appreciated.

I would like to express my profuse gratitude to ***Prof. Dr. Adel Abdel Kader Mostafa***, **Professor of General Surgery, Ain shams University**, for his encouragement, giving me the choice to undertake the subject of this thesis, sincere support and fruitful advice throughout the whole work.

I am much indebted to ***Prof. Dr. Emam Fakhr***, **Professor of General Surgery, Ain Shams University**, for his constant encouragement, close supervision, guidance and sincere directions for fulfillment of this work.

I am truly grateful to **Prof. Dr. Ateff Sallam, Professor of Vascular Surgery, Emory University, Atlanta, Georgia, USA**, who have been kind enough to offer valuable comments and criticisms for this work.

I wish to express sincere gratitude to **Dr. Reda El-Wakil, Assistant Professor of Tropical Medicine, Ain Shams University**, for his highly appreciated advice. He kindly supervised the endoscopic part of my work and guided it's steps.

I would like also to extend my thanks to **Dr. Mohamed Magdy Atta, Ass. Professor of Tropical Medicine, Banha Faculty of Medicine**, for his guidance, assistance, generous cooperation and sincere directions for fulfillment of this work.

I wish to express my profound gratitude to **Dr. Tarek Abdel Azeim, lecturer of vascular surgery, Ain Shams University**, for his guidance and supervision.

A word of thanks and appreciation is a must for **Dr. Mohamed El-Awady, Lecturer of Community Medicine, Ain Shams University**, for his faithful unlimited help in medical statistecs.
