**RELATIONSHIP OF UMBILICAL CORD
HEPATOCYTE GROWTH FACTOR (HGF)
TO GESTATIONAL AGE IN NORMAL
AND COMPLICATED PREGNANCIES**

THESIS

Submitted in partial fulfillment of
Master Degree (M.Sc), in:

PAEDIATRICS

Presented by

Nader Mohamed Mohamed

M.B., B.Ch

21/5/00
Sahwa
Omara

Under supervision of

Prof. Dr. Alyaa Amal Kotby

*Professor of Paediatrics
Faculty of Medicine
Ain Shams University*

Tawhida
Yamani

Dr. Hanan Mohamed Ibrahim

*Lecturer of Paediatrics
Faculty of Medicine
Ain Shams University*

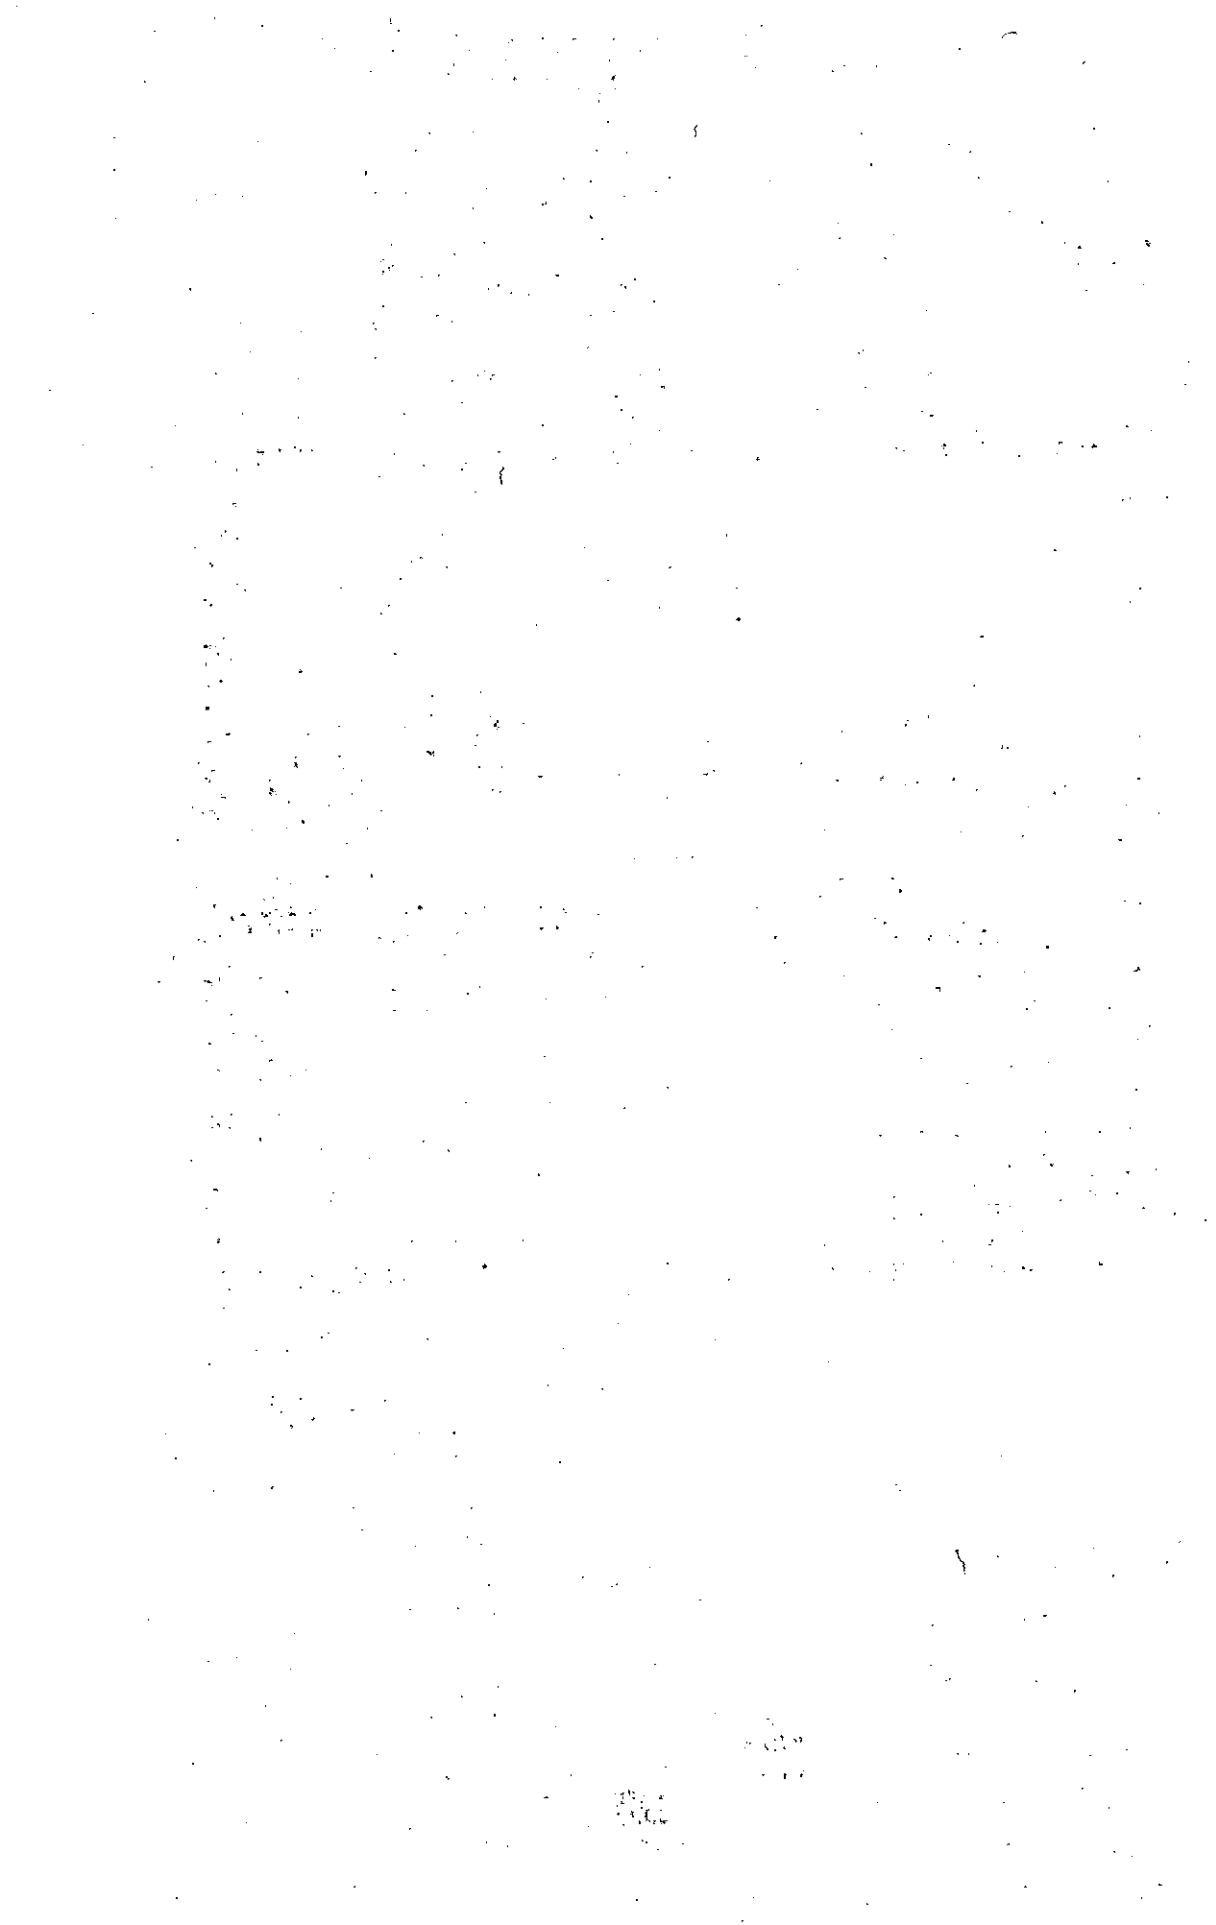

Alyaa

Dr. Shaheera Fathy El-Fedawy

*Lecturer of Clinical Pathology
Faculty of Medicine
Ain Shams University*

B No 1

﴿ قَالُوا سُبْحَانَكَ لَا عِلْمَ لَنَا إِلَّا مَا
عَلَّمْتَنَا إِنَّكَ أَنْتَ الْعَلِيمُ الْحَكِيمُ ﴾

صدق الله العظيم

[البقرة: ٢٢]

ACKNOWLEDGEMENT

*First and foremost, thanks are due to **ALLAH**,
to whom I relate any success in achieving
any work in my life.*

My words stand short of my supreme gratitude and thanks to ***Prof. Dr. Alyaa Amal Kotby***, Professor of Paediatrics, Faculty of Medicine, Ain Shams University, for her continuous supervision, valuable guidance, generous encouragement, help & overall her moral support and kindness that gave me and this work a lift to the scope of light.

Special thanks are due to ***Dr. Hanan Mohamed Ibrahim***, Lecturer of Paediatrics, Faculty of Medicine, Ain Shams University, for dedicating so much of her precious time and effort, and for her honest and constant guidance to complete this work.

I am also deeply indebted to the great help offered by ***Dr. Shaheera Fathy El-Fedawy***, Lecturer of Clinical Pathology, Faculty of Medicine, Ain Shams University, to whom I owe many valuable remarks and a lot of precious time and effort, her guidance and kind assistance supported in completing this work.

My deepest gratitude, sincere thanks and great appreciation are due to ***My Mother, Father, Brother Dr. Ahmed and My Sister Dr. Amira*** not only for their endless supply of love, generous kind and encouragement but also for their incomparable effort in the presentation and throughout all my life, words of thanks are so little for their great help in preparation of this work

My deepest heart feelings with my hot endless love to my share life ***Dr. Mona Gomaa*** not only for her limitless generous support, unique help and active skillful cooperation which give me a great motive throughout this work, but also for her unending powerful love supply she give and still giving.

It was a real pleasure and honour to work under supervision of my ***Prof. Dr. Isaad Khalaaf & Prof. Dr. Soheir Ibrahim and Prof. Dr. Ibrahim Abdulhaq,*** and cooperate with my colleagues to produce this work.

Finally, I wish to thank all members of ***My Family, my colleagues and my Friends*** for their continuous help, encouragement and support.

Nader M. Mohamed

INDEX
