ACKNOWLEDGMENT

First and foremost, I thank ALLAH who gave me the strength to accomplish this work.

1 would like to express my sincere gratitude to *Prof. Dr. Hussein El. Orabi* Professor of General Medicine, Faculty of Medicne, Ain Shams University for his generous supervision, keen intrest and precious time he offered me throughout this study. I consider myself very fortunate being worked under his supervision

I wish also to express my deep gratitude to *Dr.Nihad S.*Shoeib. Lecturer of General Medicine, Faculty of Medicine Ain Shams University for her continous support and for her valubale remarks.

My sincere thanks to *Dr. Magda Shoukry Hussein* lecturer of General Medicine, Faculty of Medicine, Ain Shams University for her continuous encouragement and for offering me much of her time throughout this study.

My Sincere thanks to *Dr. Tahany Mohamed Abdel Moniem*, Fellow of Biochemistry, Ain Shams University Hospitals for her great help.

Finaly. I would like to convey my warmest gratitude to my family for their encouragement and unlimited support throughout my work.

To My Parents
