Acknowledgment

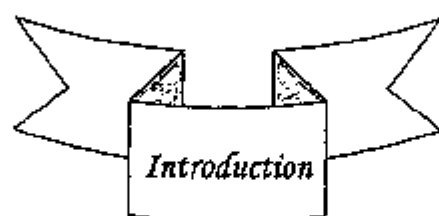

First and foremost, thanks are all to "*Allah*".

I find no word by which I can express my extreme thankfulness, deep appreciation and profound gratitude to my eminent *Prof.Dr. Magdy Omar Abdou*, Professor of Pediatrics, Faculty of Medicine, University of Alexandria, for giving me the privilege of working under his meticulous supervision and for his generous help, guidance, kind encouragement and great fruitful advice during supervision of this work.

I am deeply indebted to *Dr.Mohamed Moustafa Rezk*, Assistant Professor of Clinical pathology, Faculty of Medicine, University of Alexandria.

Grateful acknowledgment and deep appreciation are conveyed to *Dr.Mohamed Hazem Gouda*, Assistant Professor of Pediatrics, Faculty of Medicine, University of Alexandria, for his great support, careful supervision and continuous advices which helped me to overcome many difficulties.

No words of gratitude would be enough to express what I owe my family. They have been there every step of the way and to them I dedicate every achievement.
