ACKNOWLEDGMENT

ACKNOWLEDGMENT

First of all, thanks to **ALLAH** for helping me so much throughout this work..

I would like to express my deep gratitude to **Prof. Dr. Asmaa Shoreit**, Professor of Pediatrics, Assiut University, for her kind help, continuous support, patience and keen supervision for this work.

My sincere appreciation to **Dr. Zeinab El-Kady**, Assistant Professor of Pediatrics, Assiut University, for her continuous help and encouragement, her sincere caring and kindness will always be remembered, I'm forever in debt.

I'm deeply grateful to **Dr. Shaban Redwan Helal**, Assistant Professor of Clinical Pathology, Assiut University, for his grand effort for accomplishment of the laboratory work of this study, and his valuable suggestions and kind support for me throughout this work.

I can't forget to express my deep thanks to Professor **Dr. Madiha Zakhary**, Professor of Biochemistry, Assiut University, for her enormous effort in participation in the laboratory work of this study.

I would like to express my deep thanks to staff members of Neurology and Ophthalmology Departments for their kind help throughout this work.

Great thanks to the patients and their parents whom and for whom this study was carried out. Last but not least, I want to express my deep thanks to, all staff member in the Pediatric Department of Assiut University, my colleagues, and all paramedical personnel who enabled me to finish this work.

Gamal M. Hassan
