ACKNOWLEDGEMENT

ACKNOWLEDGEMENT

I would like to express my deepest appreciation to ***Prof. Mohamed Amgd Fatthy Kaddah***, Professor of Orthodontics, Faculty of Oral and Dental Medicine, Cairo University, for his scrupulous supervision, valuable advices, unique cooperation, and encouragement which were of inestimable value.

My warmest and most cardial thanks are offered to ***Dr. Sahar Taher Abdel Aziz***, Lecturer of Orthodontics, Faculty of Oral and Dental Medicine, Cairo University. Indeed, this work owes much to her keen interest, invaluable assistance, stimulating criticism, encouragement, and close supervision.

I am extremely grateful to ***Prof. Mohamed Ekram Ibrahim***, Professor of Oral Diagnosis and Radiology, Cairo University, for his great help in making the radiographs needed for this study.

My deep gratitude is offered to ***Prof. Omar El-Hattab***, Professor of Epidemiology and Biostatistics, National Cancer Institute, Cairo University, for his kind advice, and great help in the statistical evaluation of the data.

My heart-felt thanks goes to my dearest colleague Dr. Mohamed El-Sayed Saad Ibraheem for his kind help, continuous support, and encouragement throughout this work.

I wish to express my gratitude to all the staff members and colleagues at the Orthodontic Department, Faculty of Oral and Dental Medicine, Cairo University, for their support and friendship.

Special thanks are offered to the patients who constituted the sample used in this study, for their cooperation and commitment in taking the radiographs needed for this study.

Finally, my sincere appreciation and gratitude go to my dearest parents, sister, and brother for their enthusiasm, supportive help, encouragement, and patience. Their role throughout the course of this study can never be denied.
