Social Work Methods Dep.**

**The Relationship Between Utilizing Task-Centered Model and
Solving The Problem of School Truancy**

A Study Applied to the Pupils of Second Grade of the Basic
Education at Fayoum

**A Dissertation Submitted for the Achievement of the Ph. D.
in Social Work**

Presented By

Youssef Ishak Ibrahim
Assistant Teacher, Faculty of Social Work
Cairo University

Supervised By

Prof. Fawkia I. Agami
Faculty of Social Work
Cairo University
Fayoum Branch
Egypt

Prof. John F. Jones
Graduate School of
Social Work
University of Denver
U.S.A.

1998

Dedication

**To my beloved home Egypt.
To my parents, for their love and support.
To my wife and my daughter, for their patience and
encouragement.**

Acknowledgments

I begin to thank God for his endless, loving, blessing, and caring.

I wish to express my deepest thanks and gratitude to those who helped me in all the steps of this research.

I wish to acknowledge and thank Professor. Fawkia I. Agami for her support and encourage, she advised and helped me a lot in all my research work.

I would like to give special thanks to Professor. John F. Jones for his sincere care, he gave me a lot of his time and professional guidance.

I thank all the staff members and colleagues at Graduate School of Social Work University of Denver, and I am especially grateful for the help received from Mrs. Lois Jones and all the employees at Penrose library.

I thank Professor. Abd El-Hameed Abd El- Mohsen who was the first supervisor of this research.

I also would like to thank all the staff members at El-Basel prep school and the research sample and their families whom without their help this research would never have been completed.

List of Figures.....	ix

Part I

The Theoretical Framework of the Study

Chapter 1 Introduction to the Study

Statement of the Study	3
Aims of the Study	14
Concepts of the Study	14

Chapter 2 School Truancy and the Students of the Prep School (the Second Stage of Basic Education)

Introduction	19
The Feature of Students' Development in the Early Adolescence Stage	20
The Physical Development	21
The Cognitive Development.....	23
The Emotional Development.....	26
The Social Development	27
School Truancy and Students' Development in the Early Adolescence Stage	28
The Distinction Between School Truancy and School Phobia.....	30
The Factors and the Reasons Leading to School Truancy.....	31
The Personal Factors.....	33
The Environmental Factors	34
The Various Trends in Explaining the Reason for School Truancy	36
The Contributions of Social Work in Dealing with the Problem of School Truancy.....	37

Chapter 3 The Scientific Perspective of the Task-Centered Model

Introduction	41
The Origins of the Task-Centered Model	43
The Range of Application of the Task-Centered Model	45
The Theoretical Foundations of the Task-Centered Model	46
The Phases and Steps of the Task-Centered Model	49

Part II

The Practical Framework of the Study

Chapter 4 The Methodological Strategy of the Study

Introduction	60
Hypotheses of the Study	60
Kind of the Study	61
Method of the Study	61
Spheres of the Study	63
Tools of the Study	64
Statistical Techniques of the Study	72

Chapter 5 The Procedures of the Practical Study

Introduction	74
Description of the Study Sample	74
The Intervention Program by Using the Task-Centered Model with the Habitually Truant Students	81
Steps for Experimenting Procedure and Conducting the Intervention Program	87

Chapter 6 The Study Outcomes and Deductions

Introduction	89
Discussion and Analysis of the Outcomes of the Study	
Hypotheses.....	89
The Professional Intervention With the Study Cases	99
Presentation of A Model of Two Cases of the Study	100
A Brief Presentation of the Rest of the Study Cases	118
Deductions of the Study.....	158
Summaries of the Study	161
The English Summary.....	161
The Arabic Summary.....	165
Bibliography	
The English References	169
The Arabic References	177
Appendixes	
Appendix 1	183
Appendix 2	184
Appendix 3	185
Appendix 4	190

List of Tables

Tables	Title	Page
Table 1	Number and percentage of truant student in the second grade of basic education.....	14
