ACKNOWLEDGEMENT

First of all thanks to God.

Then, I wish to express my thanks and gratitude to my Professor Dr. Zeinab Bishry Abdel-Hamid, Professor of Psychiatry in Neuropsychiatric Department, Faculty of Medicine, Ain Shams University, for her guidance, her time, encouragement and support which gave me much of them throughout this present study. I am proud to consider myself one of her students.

No words can express my deepest gratitude to Dr. Olweya M. Abdel - Baky Assistant Professor of Childhood Studies, Ain Shams University for her constructive criticism, valuable remarks and kind advice.

I would also like to express my extreme appreciation and sincere gratitude to Dr. Mohammed M. Nasr Assistant Professor at the Institute of Post-graduate Childhood Studies, for his kind supervision, valuable remarks and aid.

My special feeling of heartfelt thanks to Dr. Naglaa el Mahalawi, Assistant Prof. of Psychiatry, Ain Shams University for her great help and kind advice.

I want also to express my heartfelt thanks to All Members who helped me, at the Ministry of Learning and Education, the West Guiza Learning Zone Schools, Professors and Students.

I would like also to confess my deep gratitude to my family; my mother, father, husband and daughters for their support, help and understanding.

Dr. Amira Mahmoud
