ACKNOWLEDGMENT

I would like to express my sincere gratitude and indebted to Prof. Dr. El-Sayed Ahmed Soliman Abd-Elaziz, professor of Organic Chemistry, Faculty of Science, Ain Shams University; he was always kind enough to suggest the lines of research and to follow the progress of the work with keen interest, guidance and valuable criticism.

Full gratitude and acknowledgment are due to Prof. Dr. Mounir Abdu Ibrahim Salem, Professor of Organic Chemistry, Faculty of Science, Ain Shams University; for giving me unlimited time, generous help, and valuable suggestions especially in the practical part of this work.

I am deeply indebted to Dr. Hassan Mohamed Fawzy Madkour, Assistant professor of Organic Chemistry, Faculty of Science, Ain Shams University; for his encouragement, continuous advises and for his valuable help whose efforts madethis humble work a success.
