بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

قُلْ مَا أَسْأَلُكُمْ فِي دِينِي وَلَا فِي عِلْمِي وَلَا فِي مَالِي مَا أَسْأَلُكُمْ فِيهِ أَنْ تَتَّقُوا اللَّهَ
الَّذِي هُوَ الْعَلِيمُ

صدق الله العظيم

(البقرة، آية رقم ٢٢)

Dedication
to

*Dear God Let ME Hold
Up My Silver Cup For
Them To Drink To Cure
That is Prmission From You*

ACKNOWLEDGEMENTS

Thanks God for lightening my path to become a humble student of a noble Profession.

I wish to express my gratitude to all who helped me in fulfilling this work to become a message directed to Egyptian Mothers.

I am deeply grateful and undeniably indebted to the Late prof. *Dr. Abdel Khalik Khattab*. The father of humanity who taught me not to harden the soft heart of a child. He had fatherly guided me throughout this work with his deliberate invaluable advises.

My sincere and cordial gratitude are to my dear prof. *Dr. Nawal Mohamed Seliman*, Assistant prof. of Public Health Nursing Ain Shams University, for her unfailing kindness, support and advise. She has put freely at my disposal her immense experience and knowledge and spent a lot of her valuable time building up this work. without her help, this work would have not been produced.

Madiha Amin Morsy
