Name : **Magida Costantin Ibrahim .**

Title : Taxonomical studies on some taxa of the leguminosae -
Caesalpinioideae in Egypt.

Professor Doctor : **S.F. Kalifa**

Doctor : **Ishak F. Ishak**

ACKNOWLEDGMENTS

*I would like to express my cardial thanks and sincere gratitude to Dr. **S.F.Khalifa**, Professor of Plant Taxonomy, Department of Botany , Faculty of Science , Ain Shams University and the Director of the Department of Flora and Phytotaxonomy Research (CAIM), Horticultural Research Institute (HRI), Agricultural Research Centre (ARC) for suggesting the point of Research and whose constant guiding, wise advice and continuous encouragement have been a constant guide to me for achievement of this work .*

*Thanks are due to the late Dr. **Fatima M. Sáad**, Ex. Director of phytotaxonomy Research (CAIM) for her valuable assistance and advice .*

*I am also indebted to Dr . **Ishak F. Ishak**, lecturer of the Botany Department, Faculty of Science, Ain Shams University for his continuous assistance and valuable facilities .*

*I am also indebted to Dr. **A.S. Al- Nowaihi** , Professor of Plant Taxonomy for his continuous encouragement .*

*My Sincerest thanks are also to Dr. **Seham M.A. Moustafa**, Professor of Plant Physiology, and Head of Botany Department, Faculty of Science, Ain Shams University .*

*Thanks are due to Eng . **Badia Diwan** and Eng . **Terese Labib**, for their kind help*

Sincere thanks are also offered to all workers at Botany Department, Ain Shams University & Flora and Phytotaxonomy Research (CAIM) and Orman Botanical Garden .
