

THYROID FUNCTIONS BEFORE AND AFTER INTERFERON- ALPHA THERAPY IN PATIENTS WITH CHRONIC VIRAL HEPATITIS

Thesis

Submitted in the partial fulfillment
for Master Degree of **Internal Medicine**

By

Nabil Ali El-Sharawy

M.B.,B.Ch.

Supervisors

Prof. Mohammed Alaa Hamed

Prof. of Internal Medicine and Endocrinology

Faculty of Medicine

Ain Shams University

Dr. Salah Ahmed Shelbaia

Assist. Prof. of Internal Medicine and Endocrinology

Faculty of Medicine

Ain Shams University

Dr. Enas Ahmed Asfour

Assist. prof. of Internal Medicine and Hematology

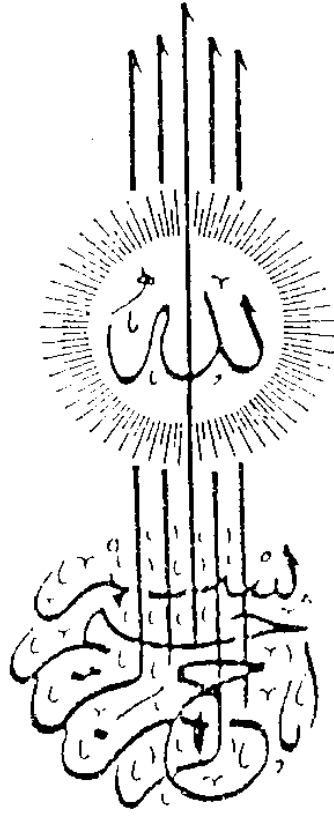

Faculty of Medicine

Ain Shams University

**Thanks for Help and
Support**

Acknowledgment

I like to express my over lasting gratitude to **Prof. Dr. Mohammed Alaa Hamed**, Professor of Internal Medicine and Endocrinology, Faculty of Medicine, Ain Shams University, for his kind supervision, scientific support and constant encouragement.

I am grateful to **Prof. Dr. Salah Ahmed Shelbaia**, Assist. Prof. of Internal Medicine and Endocrinology, Faculty of Medicine, Ain Shams University, for his constant supervision. His advice and encouragement have been of great help in the performance of this work.

My sincere thanks are also to **Prof. Dr. Enas Ahmed Asfour**, Assist. Prof. of Internal Medicine and Hematology, Faculty of Medicine, Ain Shams University for her kind help, assistance and generous participation during preparation of this work.

CONTENTS

-	INTRODUCTION AND AIM OF THE WORK	1
-	REVIEW OF LITERATURE	2
	* Interferons -	2
	I - Classifications and types of interferons	3
	II - Structure of alpha-interferon,	6
	III- Mechanism of action of interferons	7
	IV- The clinical uses of interferons	12
	V - Side effects and toxicity of interferons	29
	* Thyroid gland	39
	I- Embryology, Anatomy and histology	40
	II- Synthesis, Secretion and Metabolism of thyroid hormones	46
	III- Thyroid Functions Tests	52
	* Chronic Hepatitis	59
	I- Chronic hepatitis	60
	II- Chronic hepatitis B virus infection	73
	III- Chronic hepatitis C virus infection	86
	* Interferon therapy and thyroid disorders.	107
-	SUBJECTS AND METHODS	126
-	RESULTS	146
-	DISCUSSION	157
-	SUMMARY	163
-	CONCLUSION AND RECOMMENDATIONS	164
-	REFERENCES	165
-	ARABIC SUMMARY	

LIST OF TABLES

Tab. No.	Title	Page No.
1	Types and proteins of interferons	5
2	Side effects of interferons	30
3	Incidence of second neoplasma after interferon therapy	38
4	Comparison of types of chronic active hepatitis	65
5	Stages of infection with hepatitis B	77
6	Mean ($\pm$ SD) FT ₃ , FT ₄ and TSH concentrations before and after interferon.	148
7	Mean ($\pm$ SD) FT ₃ concentrations before and after interferon	149
8	Mean ($\pm$ SD) FT ₄ concentrations before and after interferon	149
9	Mean ($\pm$ SD) TSH concentrations before and after interferon	149
10	Mean ($\pm$ SD) liver function and renal function before interferon	150
11	Mean ($\pm$ SD) liver function and renal function after interferon	150

LIST OF FIGURES

Fig. No.	Title	Page No.
1	Mean FT ₃ concentrations before and after interferon.	151
2	Mean FT ₄ concentrations before and after interferon.	152
3	Mean TSH concentrations before and after interferon.	153
4	Mean ($\pm$ SD) FT ₃ concentrations before and after interferon.	154
5	Mean ($\pm$ SD) FT ₄ concentrations before and after interferon.	155
6	Mean ($\pm$ SD) TSH concentrations before and after interferon.	156
