

**HEMATEMESIS IN THE PEDIATRIC
AGE GROUP: A RETROSPECTIVE STUDY**

Thesis
Submitted For Partial Fulfillment Of
Master Degree In Pediatrics

By
Ebtisam Fikry Mohamed
M.B., B.Ch.

Under Supervision Of
Dr. Tawhida Yassin Abd El Ghaffar
Assist. Prof. Of Pediatrics
Faculty of Medicine
Ain Shams University

618-92157

D.F

Dr. Heba Hassan El Sedfy
Lecturer Of Pediatrics
Faculty Of Medicine
Ain Shams University

Faculty Of Medicine

ACKNOWLEDGMENT

First , thanks are all to God for blessing this study until it has reached its end as a little part of his generous help throughout my life.

*I would like to express my deepest gratitude and extreme thankfulness to Assist. Prof. **Dr.Tawhida Yassin Abd El Ghaffar** ,Assistant Professor of Pediatrics ,Faculty of Medicine Ain Shams University for her generous help, guidance ,kind encouragement and great fruitful advice during supervision of this work.*

*I am greatly honoured to express my sincere thanks to **Dr. Heba Hassan El Sedfy** , Lecturer of Pediatrics , Faculty of Medicine , Ain Shams University by whom I was very much impressed for her sincere guidance and great help . She provided much of her time and offered me valuable assistance and sincere help.*

Ebtisam Fikry Mohamed
