بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

« لا يكلف الله نفسا إلا وسعها لها
ما كسبت وعليها ما اكتسبت ربنا لا تؤاخذنا
إن نسينا أو أخطأنا ربنا ولا تحمل علينا
إصراً كما حملته على الذين من قبلنا ربنا
ولا نحملنا ما لا طاقة لنا به واعف عنا واغفر
لنا وارحمنا أنت مولانا فانصرنا على القوم
الكافرين » .
