To my family

Acknowledgments

ACKNOWLEDGMENTS

First and foremost thanks to Allah to whom I relate any success in achieving any work in my life.

I would like to express my sincere gratitude to Prof. Dr. *Mohamed Adawi Nafeh*, Head of Tropical Medicine and Gastroenterology Department, Faculty of Medicine, Assiut University for his great help and unlimited efforts in supervising this work. His criticism and extreme patience are much appreciated.

It is a great pleasure to express my deepest thanks and gratitude to Dr. *Ahmad Medhat Nasr*, Assistant Professor of Tropical Medicine and Gastroenterology, Faculty of Medicine, Assiut University for his constructive criticism and wise advice. He was after every step by his enthusiastic guidance. His continuous encouragement made this work possible.

My deep thanks are to Dr. *Youssef Mohamed Swifee*, Lecturer of Tropical Medicine and Gastroenterology, Faculty of Medicine, Assiut university for help and advice.

I am greatly thankful to Dr. *Ashraf Osman*, Dr. *Saad Zaki* and Dr. *Sherif Kamel* for their help and supportive efforts.

Finally, I wish to extend my great thanks and gratitude to members of Tropical Medicine Department & Gastroenterology for their help and cooperation.

Amal Abd El-Kader Mahmoud
