

**EFFECT OF TOPICAL NASAL STEROID ON
NASAL SCRAPING CYTOLOGY IN ALLERGIC
SINUSITIS AND ALLERGIC NASAL DISEASES**

Thesis

Submitted for the partial fulfillment of
Master Degree in **Internal Medicine**

By

Ali Adli Ali Hassan
M.B., B.Ch.

Supervised By

Assist. Prof. Dr. Hoda Ahmed Gadallah
*Assist. Prof. of Internal Medicine
Faculty of Medicine
Ain Shams University*

Dr. Salwa Abd El-Zaher Mabrouk
*Lecturer of Internal Medicine
Faculty of Medicine
Ain Shams University*

Prof. Dr. Karima Fahmy Sedhom
*Prof. of Pathology
Faculty of Medicine
Ain Shams University*

**FACULTY OF MEDICINE
AIN SHAMS UNIVERSITY**

[Handwritten signatures and marks]

TO MY WIFE

ACKNOWLEDGEMENT

First and foremost I feel always indebted to **GOD**, the most kind and the most merciful.

I would like to express my deep thanks and gratitude to **Dr. Hoda Ahmed Gadallah**, Assistant professor of Internal Medicine, Faculty of Medicine, Ain Shams University, for her patience, kind guidance and her continuous encouragement through the work.

I am especially grateful to **Dr. Salwa Abd El-Zaher Mabrouk**, Lecturer of Internal Medicine, Faculty of Medicine, Ain Shams University, for giving me the honor of working under his supervision and for his great and unlimited help.

I wish to express my deepest gratitude and appreciation to **Prof.Dr. Karima Fahmy Sedhom**, Professor of pathology, Faculty of medicine, Ain Shams University, for her great help and sharing in this work.

Finally, I feel deeply thankful to all my colleagues who helped me to complete this work.

CONTENTS

INTRODUCTION	1
AIM OF THE WORK	2
REVIEW OF LITERATURE	3-106
1-Historical perspectives	3
2-Anatomy of the nose and sinuses	4
3-Applied physiology of the nose and sinuses	8
4-Classification of allergic nasal diseases and allergic nasal sinusitis	15
5-Epidemiology of allergic nasal diseases and allergic nasal sinusitis	17
6-Etiology of allergic nasal diseases and allergic nasal sinusitis	21
7-Pathophysiology of allergic nasal diseases and allergic nasal sinusitis	26

<i>*immunological considerations</i>	26
<i>*mediators of allergic rhino- sinusitis</i>	31
<i>*pathology of allergic rhino- sinusitis</i>	35
<i>*pathological relations of allergic rhinosinusitis</i>	37
 8-Clinical picture of allergic nasal diseases and allergic nasal sinusitis	 40
 9-Differential diagnosis of the types of allergic nasal diseases and allergic nasal sinusitis	 46
 10-Complications of sinusitis	 54
 11-Special aids for diagnosis of the types of allergic nasal diseases and allergic nasal sinusitis	 57
 12-Nasal cytology as a diagnostic method for nasal diseases	 63
 13-Therapy of allergic nasal diseases and allergic nasal sinusitis	 75
 14-Corticosteroids	 89

SUBJECTS AND METHODS	107
RESULTS	115
DISCUSSION	145
SUMMARY, CONCLUSION AND RECOMMENDATIONS	152
REFERENCES	155
ARABIC SUMMARY	

Table (9):Cytological data of patients with allergic rhinosinusitis after receiving topical steroids.	127
Table (10):Clinical and cytological data of control normal subjects.	128
Table (11):Comparison between the patients before and after receiving topical nasal steroids as regard the clinical data.	129
Table (12):Comparison between the patients with allergic rhinosinusitis who didn't receive topical steroids and control normal subjects as regard eosinophils grading in the nasal cytogram.	129
Table (13):Comparison between the patients with allergic rhinosinusitis who didn't receive topical steroids and control normal subjects as regard neutrophils grading in the nasal cytogram.	130
Table (14):Comparison between the patients with allergic rhinosinusitis who didn't receive topical steroids and control normal subjects as regard bacteria grading in the nasal cytogram.	131

LIST OF TABLES

Table (1):Symptoms and pathologic features of allergic rhinosinusitis and proposed mediators.	34
Table (2):Differentiation between atopic and vasomotor (cholinergic) rhinorrhea.	50
Table (3): Preparations and dosage of topical corticosteroids.	95
Table (4):Summary of the results of 3 topical corticosteroids compared in the treatment of seasonal allergic rhinitis.	100
Table (5):Grading system to measure skin reactions.	109
Table (6): Grading of nasal cytograms.	114
Table (7):Clinical data of patients with allergic rhinosinusitis.	119
Table (8):Cytological data of patients with allergic rhinosinusitis.	125

Table (15): Comparison between the patients before and after receiving topical steroids as regard eosinophils grading in the nasal cytogram. **132**

Table (16): Comparison between the patients before and after receiving topical steroids as regard neutrophils grading in the nasal cytogram. **133**

Table (17): Comparison between the patients before and after receiving topical steroids as regard bacteria grading in the nasal cytogram. **134**

Table (18): Comparison between the patients after receiving topical steroids and control normal subjects as regard eosinophils grading in the nasal cytogram. **135**

Table (19): Comparison between the patients after receiving topical steroids and control normal subjects as regard neutrophils grading in the nasal cytogram. **136**

Table (20): Comparison between the patients after receiving topical steroids and control normal subjects as regard bacteria grading in the nasal cytogram. **137**

Table (21):Comparison between the patients before and after receiving topical steroids as regard the mean grading cytology of eosinophils.	138
Table (22):Comparison between the patients before and after receiving topical steroids as regard the mean grading cytology of neutrophils.	138
Table (23):Comparison between the patients before and after receiving topical steroids as regard the mean grading cytology of bacteria.	138
Table (24):Comparison between the means grading cytology of all patients with allergic rhinosinusitis.	139
Table (25):Comparison between the means grading cytology of all patients with allergic rhinosinusitis after receiving topical steroids.	139
Table (26):Comparison between the means grading cytology of the control normal subjects.	139
