## ACKNOWLEDGEMENT

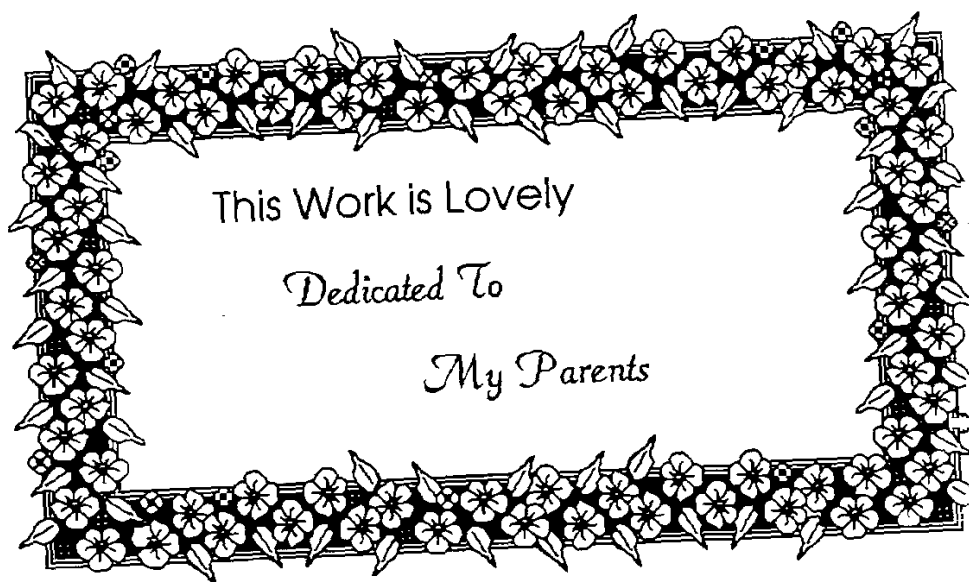

I would like to express my deep gratitude to *Prof. Dr. Mohamed Alaa El-Dein Osman*, Professor of General Surgery, Faculty of Medicine, Ain Shams University, for his generous help and his valuable direction all the way. He did not spare any facility or advice to make this work successful.

I am also deeply indebted to *Dr. Walid Atif Elian*, Lecturer of General Surgery, Faculty of Medicine, Ain Shams University, for his constant support and encouragement, kind guidance and supervision in setting up and organising the plan of this work.

This Work is Lovely

*Dedicated To*

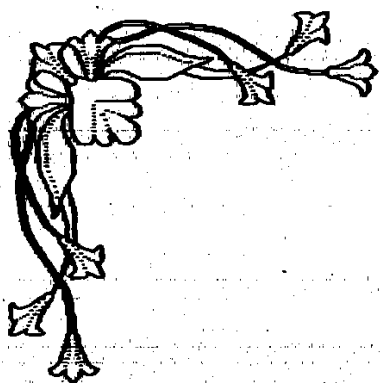

*My Parents*
