To my Family

ACKNOWLEDGMENT

Thanks to **God** for helping me to complete this work.

I would like to express my outmost gratitude, deepest appreciation, and great thanks to **Prof. Dr, Ahmed Mohamed Lotfy**, Ass. Professor of General Surgery, Faculty of Medicine, Ain Shams University for his close supervision, kind instructions, and advices that were very helpful in finishing this work.

I would like also to express my great thanks and deepest appreciation to **Dr. Samy Ahmed Abd El-rahman**, Lecturer of General Surgery, Faculty of Medicine, Ain Shams University for his precious guidance, valuable suggestions and kind support throughout the whole work.

Last but not least, my warmest thanks to my family for their patience and encouragement.
