and received too little.

ACKNOWLEDGMENT

I would like to express my deepest gratitude and my most sincere thanks to my esteemed professor Dr. Mohamad Foud Khaled, Professor of General Surgery, Faculty of Medicine, Ain-Shams University, for his close supervision, kind guidance, and encouragement which were of great help in performing this essay.

I am also indebted to Dr.Hisham Hassan H.Wagdy, Lecturer of General Surgery, Faculty of Medicine, Ain-Shams University, for his mindful supervision, thoughtful remarks, and valuable suggestions which were of indispensable value for the completion of this work.
