Acknowledgment

First and foremost, **THANKS GOD**, to whom I relate any success in achieving any work in my life.

I wish to express my utmost gratitude to Prof.Dr. Hamdy Mahmoud Abd-Allah, Professor and Head of General Surgery Department, Faculty of Medicine, Ain Shams University, his generous advice on various continued guidance and supervision in every section of this thesis, his constant encouragement throughout the study and his sincere valuable advise were indispensable.

I wish also like to express my profound appreciation to Prof.Dr. Naglaa Ali Gad-Allah, Ass.Professor of Physical Medicine, Faculty of Medicine, Ain Shams University, for her trustful help, unfailing advise, and continuous encouragement.

I have also had the privilege of working under the expert guidance of Prof. Dr. Ahmed Abd-Elaziz Abu-Zeid, Ass. Professor of General Surgery, Faculty of Medicine, Ain Shams University, to him I wish to express my deepest gratitude for his marvelous, inestimable support. In fact without his effort, this work could never have been completed.

I would like to extend my gratitude to Dr. Alaa Abbas Sabry, for his helpful suggestions to ensure the accuracy of this work,

I would also like to express my deepest thanks to all the members of the staff of the Coloproctology Unit of Ain Shams University Hospitals.

TO...

Every one taught me a letter ..

To my parents ..
