Dedication

To My Father

" Prof. Dr. Mohamed Awadalla "
who had made my life bright and who gave me
the strength to carry on

Acknowledgment

It is difficult to translate my feelings towards Professor Dr. Mohamed F. Fikry, Professor of Obstetrics and Gynaecology, Faculty of Medicine, Ain Shams University because of his sincere initiating power, stimulating suggestions and constructive criticism this work was brought to light. It is a great honour to work under his supervision.

I wish to express my deep gratitude to Dr. Alaa El-Din H. El-Fekry, Lecturer of Obstetrics and Gynaecology, Faculty of Medicine, Ain Shams University, who kindly devoted a great deal of his valuable time in the planning and the entire development of this work with instructive guidance, effective scientific supervision and endless assistance.

My respect to Dr. Alaa M. Rashed in the early Unit For Cancer detection, Dr. Mohamed Abdel Hamid for the great help he offered me.

Lastly, I have to thank all the people around me at work, the kind patients who participated in this work and without whom never have this work been established.
