To
My Mother and father
My Lovely two sisters
Any one who taught me a letter

Acknowledgment

I wish to express my deepest thank, gratitude and appreciation to Professor **Dr. Khalil Ismail El-Lamie**, Professor of Obstetrics and Gynaecology, Faculty of Medicine, Ain Shams University. It is a real pleasure to acknowledge his sincere encouragement and valuable guidance. I would also thank him for his honest help, constant advice, keen interest and guidance throughout the performane of his work.

I would also like to express my deepest thanks to **Dr. Aiman Abul-Nour**, Lecturer of Obstetrics and Gynaecology, Faculty of Medicine, Ain Shams University, for sharing his experience, valuable time and helpful suggestions to ensure the accuracy of this work.

Specials thanks go to Assistant Professor **Dr. Hanaa El-Tibe Nasser**, Assistant Professor of Biochemistry, Faculty of Medicine, Ain Shams University, for her helpful suggestions, unending patience and invaluable assistance.

LIST OF TABLES (cont.)

No.	Title	Page
13	Show difference in menopausal duration between group I and group II.	112
14	Show difference in menopausal duration between group I and group III.	112
15	Show difference in menopausal duration between group II and group III.	112
16	Show difference in HRT duration between group II and group III.	113
17	Show difference in platelet count between group I and group II.	113
18	Show difference in platelet count between group I and group III.	113
19	Show difference in platelet count between group II and group III.	114
20	Show difference in platelet aggregation percentage between group I and group II.	114
21	Show difference in platelet aggregation percentage between group I and group III.	114
22	Show difference in platelet aggregation percentage between group II and group III.	115
23	Show difference in platelet count between spontaneous menopause group and surgical menopause group.	115
24	Show difference in platelet aggregation percentage between spontaneous menopausal group and surgical menopausal group.	115

LIST OF FIGURES

No.	Title	Page
1	Distribution of all the studied cases (120 cases).	118
2	Show the mean age in the three studied groups.	119
3	Show the mean duration of menopause in the three studied groups.	120
4	Show the mean duration of hormonal replaceent therapy in the three studied groups.	121
5	Show the mean platelet count in the three studied groups.	122
6	Show the mean platelet aggregation percentage in the 3 groups.	123
7	Show the mean platelet count in the 3 studied groups (in both spontaneous and surgical menopause).	124
8	Show the mean platelet aggregation percentage in the three studied groups (in both spontaneous and surgical menopause).	125
9	Show correlation between duration of HRT and platelet aggregation percentage in the studied cases.	126
