Acknowledgement

First, thanks are all due to *Holy God* for blessing this work until it has reached its end, as a part of his generous help throughout my life.

I would like to direct special thanks to. *PROF. DR. YOUSRY RUBEN G. HAJAS*. Professor of Anesthesia and Intensive Care, Faculty of Medicine, Ain Shams University, for his great support and encouragement he gave me through the whole work. It is a great honor to work under his guidance and supervision.

I would like to direct my sincere gratitude to *PROF. DR. ALI MO. HAMED AHMED MOUSSA* Professor of Anesthesia and Intensive Care, Faculty of Medicine, Ain Shams University, for his close supervision, continuous help, and the tremendous effort he has done in the meticulous revision of the whole work.

Also, I am greatly honored to express my utmost thanks to *DR. AMMAN MAHMOUD MO. KHAR*, Lecturer of Anesthesia and Intensive Care, Faculty of Medicine, Ain Shams University, from whom I received faithful supervision, valuable suggestions, and continuous guidance throughout this work.
