

**New Concepts in
Grading Prostate Cancer**

Thesis

**Submitted for partial fulfillment of Master Degree
of Pathology (M.M.Sc.)**

By

**Dr. Maha Abdel Wahab Mohamed
(M.B., B.CH)**

Supervisors

**Prof. Dr. Eglal Abdel Razek Ahmed
Prof. of Pathology
Ain Shams University**

**Prof. Dr. Amira Khalifa Ismail
Prof. of Pathology
Ain shams University**

**Dr. Ahmed Mohy El-Din Z. Badr
Lecturer of Pathology
Ain Shams University**

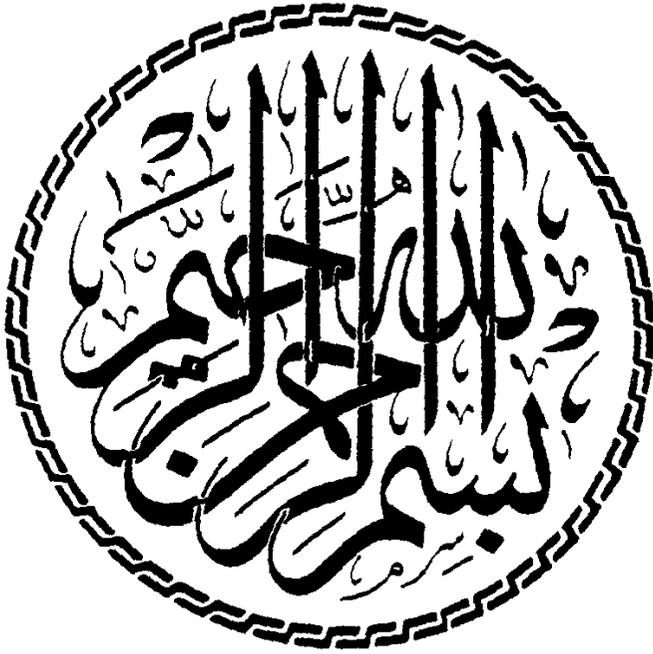

**Faculty of Medicine
Ain Shams University**

Acknowledgement

I would like to express my deepest gratitude to Professor Dr. Eglal abdel Razik, Professor of Pathology, Ain Shams University, for making this work possible in the first place. She was a source of constant encouragement, valuable direction and guidance.

I am deeply grateful to Professor Dr. Amira Khalifa, professor of Pathology, Ain Shams University, for her great care and valuable advices.

I would like to thank Dr. Ahmed Mohi, Lecturer of Pathology, Ain Shams University, for his enormous support and advice.

I sincerely thank Professor Dr. Mohamed El Shawarby, Professor of Pathology, Ain Shams University for his great help in collection of the material of this work.

I am indebted to Professor Dr. Zeinab Kamar, Professor of Pathology, Ain Shams University, for her great help in the staining procedure.

I am also very grateful to Dr. Tarek El-Sharkawy, Lecturer of Pathology, Ain Shams University, for his kind guidness and help.

----- **Acknowledgment --**

List of abbreviations

- AA H** : Atypical adenomatous hyperplasia.
BPH : Benign prostatic hyperplasia.
DNA : Deoxy ribonucleic acid.
H & E : Haematoxylin and Eosin.
M.D.A. : M.D. Anderson.
M.D.A.H. : Modification of M.D. Anderson.
PAP : Prostatic acid phosphatase.
PBA : Protein blocking agent.
PC : Prostatic carcinoma.
PIN : Prostatic intraepithelial neoplasia.
PSA : Prostate specific antigen.
TURP : Transurethral prostatectomy.
