

Role of Ductography in Diagnosis of Cases Presented by Nipple Discharge

THESIS

Submitted in Partial Fulfillment of
M.S. Degree in General Surgery

By

Nader Naguib Naeem
M.B., B.Ch.

Supervised By

Prof. Dr.: Abd El Rahman El Maragy
Professor of General Surgery
Ain Shams University

Prof. Dr.: Hala Abou Senna
Professor of Radiodiagnosis
Ain Shams University

Prof. Dr.: Hossam El Azzazy
Assistant Prof. of General Surgery
Ain Shams University

Faculty of Medicine
Ain Shams University
1999

1. The first part of the document is a list of the names of the authors of the papers included in the volume. The names are listed in alphabetical order of the last name. The names are: [illegible]

2. The second part of the document is a list of the titles of the papers included in the volume. The titles are listed in alphabetical order of the first word. The titles are: [illegible]

3. The third part of the document is a list of the names of the institutions or organizations that sponsored the research. The names are listed in alphabetical order of the first word. The names are: [illegible]

4. The fourth part of the document is a list of the names of the publishers of the papers included in the volume. The names are listed in alphabetical order of the first word. The names are: [illegible]

5. The fifth part of the document is a list of the names of the libraries that hold the papers included in the volume. The names are listed in alphabetical order of the first word. The names are: [illegible]

6. The sixth part of the document is a list of the names of the individuals who have contributed to the volume. The names are listed in alphabetical order of the first word. The names are: [illegible]

7. The seventh part of the document is a list of the names of the individuals who have reviewed the papers included in the volume. The names are listed in alphabetical order of the first word. The names are: [illegible]

8. The eighth part of the document is a list of the names of the individuals who have edited the volume. The names are listed in alphabetical order of the first word. The names are: [illegible]

9. The ninth part of the document is a list of the names of the individuals who have contributed to the volume. The names are listed in alphabetical order of the first word. The names are: [illegible]

10. The tenth part of the document is a list of the names of the individuals who have reviewed the papers included in the volume. The names are listed in alphabetical order of the first word. The names are: [illegible]

11. The eleventh part of the document is a list of the names of the individuals who have edited the volume. The names are listed in alphabetical order of the first word. The names are: [illegible]

12. The twelfth part of the document is a list of the names of the individuals who have contributed to the volume. The names are listed in alphabetical order of the first word. The names are: [illegible]

13. The thirteenth part of the document is a list of the names of the individuals who have reviewed the papers included in the volume. The names are listed in alphabetical order of the first word. The names are: [illegible]

14. The fourteenth part of the document is a list of the names of the individuals who have edited the volume. The names are listed in alphabetical order of the first word. The names are: [illegible]

15. The fifteenth part of the document is a list of the names of the individuals who have contributed to the volume. The names are listed in alphabetical order of the first word. The names are: [illegible]

16. The sixteenth part of the document is a list of the names of the individuals who have reviewed the papers included in the volume. The names are listed in alphabetical order of the first word. The names are: [illegible]

17. The seventeenth part of the document is a list of the names of the individuals who have edited the volume. The names are listed in alphabetical order of the first word. The names are: [illegible]

18. The eighteenth part of the document is a list of the names of the individuals who have contributed to the volume. The names are listed in alphabetical order of the first word. The names are: [illegible]

19. The nineteenth part of the document is a list of the names of the individuals who have reviewed the papers included in the volume. The names are listed in alphabetical order of the first word. The names are: [illegible]

20. The twentieth part of the document is a list of the names of the individuals who have edited the volume. The names are listed in alphabetical order of the first word. The names are: [illegible]
