بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

﴿ قالوا سبحانك لا علم لنا إلا ما علمتنا ﴾

﴿ إنك أنت العليم الحكيم ﴾

{ صدق الله العظيم }

* سورة البقره - الآية ٣٢ *

Acknowledgement

Firstly and foremost, I always feel indebted to Allah, the most kind and most merciful.

I wish to express my sincere gratitude and indebtedness to ***prof. Dr. Mona Abd-El Halim El-Okbi***, Professor of Dermatology and Venereology, Ain Shams University for her valuable help, constant support and continuous encouragement all through this work.

The credit of bringing this work to light goes to ***Dr. May Husein El Samahy***, Ass. Prof. of Dermatology and Venereology Ain Shams University, to whom I owe a lot, I am deeply grateful to her constructive advices, precise criticism and freindly touch during all steps of this work.

Finally, I would like to thank my family and every one who had helped me throughout this work.

“List Of Abbreviations”

AOCM	Aluminum oxide crystals microdermabrasion.
BCC	Basal cell carcinoma.
EMLA	Eutectic mixture of local anesthesia
HHD	Hailey-Hailey disease.
HQC	Hydroquinone monobenzyl cream.
KAs	Keratoacanthomas.
XP	Xeroderma Pigmentosum

Table Of Contents

I	Introduction and Aim of the work	1
II	Dermabrasion.....	
	1. Definition.....	2
	2. Historical back ground.....	2
III	Indication of dermabrasion.....	5
	1. Cosmetic benefits of dermabrasion.....	6
	2. Therapeutic indications.....	21
IV	Contraindication and special consideration of dermabrasion....	36
V	Dermabrasion technique.....	
	1. Pre operative procedures.....	46
	A. Patient selection.....	46
	B. Patient education.....	47
	C. Patient informed consent.....	50
	D. Pre-Operative consideration.....	50
	2. Operative procedures.....	
	A. Office and staffing considerations	53
	B. Anesthesia	54
	C. Skin refrigerants.....	58
	D. Equipment (instrumentation)	60
	E. Abrasion and brushing technique	73
VI	Post operative care.....	92
VII	Post operative sequelae or complication and related treatment	102

VIII	Aluminum oxide crystal microdermabrasion.....	112
	* English Summary.....	118
	* References.....	122
	* Arabic Summary.....	140

List Of Figures

<i>Figure</i>	<i>Page No.</i>
Fig.(1) Acne scarring before and after dermabrasion.	8 & 9
Fig.(2) Actinic lentigenes and actinic keratosis before and after dermabrasion	13 & 14
Fig.(3) Periorbital wrinkles before and after dermabrasion.	15 & 16
Fig.(4) Hailey-Hailey disease before and after dermabrasion	26 & 27
Fig.(5,6) Facial innervation	55 & 56
Fig.(7) Bell hand engine	62
Fig.(8) Wire brush.	67
Fig.(9) Wire brush in different sizes	68
Fig.(10) The one diameter of the diamond fraise	68
Fig.(11) Different diameters of the diamond fraises.	69
