

DIAGNOSTIC IMAGING OF PHEOCHROMOCYTOMA

Essay

Submitted in Partial Fulfillment of
Master Degree in
Radiodiagnosis

By

Rai da Mahmoud Aly Fahmy

M.B. B.Ch.

Supervisors

Prof. Dr. Hoda Ahmed El-Deeb

Prof of. Radiodiagnosis
Faculty of Medicine
Ain Shams University

Dr. Alia Abd-Alla El-Feky

Lecturer of Radiodiagnosis
Faculty of Medicine
Ain Shams University

*Faculty of Medicine
Ain Shams University*

1993

ACKNOWLEDGEMENT

*I wish to express my gratitude and deep appreciation to my **Professor Dr. HODA AHMED EL-DEEB**, Professor of Radiodiagnosis, Faculty of Medicine, Ain Shams University, for her valuable guidance, continuous help and patients throughout this work.*

*Greatfully acknowledge **Dr. ALIA ABD-ALLA EL-FEKY**, Lecturer of Radiodiagnosis, Faculty of Medicine, Ain Shams University, for her sincere guidance and her continuous encouragement.*

I greatly acknowledge all those who have helped me and shared in achieving this work.

CONTENTS

	PAGES
Introduction & Aim of the Work	1–2
Anatomy of Adrenal Glands & Sympathetic Chain	3–22
Pathology of Pheochromocytoma	23–27
Clinical Picture of Pheochromocytoma	28–33
Imaging Methods for Detection of Pheochromocytoma	34–36
Imaging Techniques & Manifestations Of Pheochromocytoma	37–89
I. Computed Tomography	37–60
II. Isotope Scintigraphy	61–73
III. Magnetic Resonance	74–89
Comparison Between the Different Imaging Modalities	90–129
Summary & Conclusion	130–137
References	138–153
Arabic Summary	

FIGURE

	Page
(1A) Anatomy and relationship of the suprarenal glands	7
(1B) Cross sectional anatomy of adrenal glands and adjacent structures	9
(2) Schematic diagram of adrenal circulation	11
(3) Schematic diagram demonstrating venous drainage of adrenal gland	11
(4) Schematic diagram demonstrating microscopic appearance of the adrenal gland	14
(5) The right sympathetic trunk and its connections with the thoracic, abdominal and pelvic plexuses	18
(6) The thoracic part of the sympathetic system of the left side	20
(7) Autonomic nerves and plexuses in the abdomen and pelvis	21
(8) CT scan of the left adrenal gland	42
(9) CT scan of normal adrenal glands	46
(10) CT scan of the right adrenal gland	48
(11) CT scan, bilateral intra-adrenal pheochromocytoma	52
(12) CT scan, right intra-adrenal pheochromocytoma	54
(13) CT scan, left intra-adrenal pheochromocytoma	55
(14) CT scan and plain X-ray of malignant pheochromocytoma with metastasis	58

(15) CT scan, ectopic pheochromocytoma	59
(16) CT scan, ectopic pheochromocytoma	60
(17) I-131 MIBG & CT scan of left adrenal pheochromocytoma	64
(18) I-131 MIBG & CT scan of right adrenal pheochromocytoma	66
(19) I-131 MIBG & CT scan of recurrent right adrenal pheochromocytoma	67
(20) I-131 MIBG scan of extra-adrenal pheochromocytoma	72
(21) MRI of normal right and left adrenals	79
(22) MRI of normal left adrenal gland	81
(23) MRI of normal right adrenal gland	82
(24) MRI of left sided pheochromocytoma	85
(25) MRI and CT scan of bilateral adrenal pheochromocytoma	87
(26) MRI of bilateral adrenal pheochromocytoma	88
(27) I-123 MIBG scan and MRI of left adrenal pheochromocytoma	102
(28) CT scan and MRI of bilateral adrenal pheochromocytoma	104
(29) CT scan, MRI and I-123 MIBG scan of bilateral adrenal pheochromocytoma	106
(30) CT scan and MRI of bilateral adrenal pheochromocytoma	107

(31) CT scan and MRI of right intra-adrenal pheochromocytoma	109
(32) I-123 MIBG scan and MRI of right intra-adrenal pheochromocytoma	111
(33) MIBG scans and MRI of left extra-adrenal functioning paraganglia	113
(34) I-123 MIBG scan and MRI of bilateral adrenal paraganglia with neurofibromatosis	115
(35) I-123 MIBG scan and MRI of a combination of chemodectoma and pheochromocytoma	117
(36) MRI and I-123 MIBG scan of left adrenal pheochromocytoma	120
(37) CT and I-131 MIBG scan of ectopic pheochromocytoma	121
(38) I-123 MIBG and CT scan of MRI of bilateral adrenal pheochromocytoma	123
(39) CT scan and MRI of intrapericardial pheochromocytoma	124
(40) CT scan and MRI of a recurrent retroperitoneal pheochromocytoma	125
(41) CT scan and MRI of a primary extra-adrenal pheochromocytoma	126
(42) MRI of metastatic lymph nodes of a pheochromocytoma	127
(43) I-123 MIBG scan and MRI of a aorticosympathetic paraganglioma	129

INTRODUCTION & AIM OF THE WORK
