قال رسول الله ﷺ

(كفى بالمرء إثماً أن يضع من يعول)

"خلق رسول الله"

Acknowledgment

First and for most, I feel always indebted to God, the Most kind and Most Merciful.

*I would like to express my heartfelt thanks; and profound gratitude to my supervisor; Prof. **Dr. Kameḍ Mahmoud Shatla** Professor of Pediatric and Dean of Faculty of Medicine, Ain Shams University, for his close supervision, constructive criticism, and valuable guidance. He gave me much of his time and effort through out this work, which has made it a rewarding experience.*

*I wish to express my sincere thanks; and appreciation to **Dr. Nawal Mahmoud Soliman**, Assist. Professor of Community Health Nursing, High Institute of Nursing, Ain Shams University, for her continuos, encouragement; and kind supervision in conveying her experience to complete this work.*

*Also, I am truly grateful to **Dr. Sabah Abd El Moby Radwan**, Lecturer of Community Health Nursing, High Institute of Nursing, Ain Shams University, for her valuable advice and patience in supervising this work.*

Finally, none of my work would have been possible without the constant help; and support of my family.

LIST OF CONTENTS
