

LAPAROSCOPIC SURGERY OF THE GASTROESOPHAGEAL JUNCTION AND HIATUS

Thesis

Submitted for partial fulfillment of
M.D. Degree in General Surgery

Presented by

Hassan Abd El-motteleb Ibrahim
(M.B.B.CH.&M.Sc)

Under supervision of

Prof. Dr. Reda Abd El –Tawab Khalil

Professor of Surgery
Faculty of Medicine , Ain Shams University

Prof. Dr. Ahmed Lotfy

Professor of surgery
Faculty of Medicine, Ain Shams University

Ass. Prof .Dr. Alaa Abbas

Assistant Professor of surgery
Faculty of Medicine, Ain Shams University

Lecturer Dr. Safwat Abo El maaty

Lecturer Of Surgery
Faculty of Medicine , Ain Shams University

Faculty of Medicine
Ain Shams University
1999

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ .

﴿ سُبْحَانَكَ لَا عِلْمَ لَنَا إِلَّا بِمَا عَلَّمْتَنَا

إِنَّكَ أَنْتَ الْعَلِيمُ الْحَكِيمُ . ﴾

(سوره البقره آيه ٢٢٢)

ACKNOWLEDGEMENT

*First, thanks are all to **GOD** for blessing me this work until it reached its end, as a little part of his generous help throughout life.*

*I would like to express my sincere appreciation and deep gratitude to **Prof. Dr. Reda Abd El-Tawab**, Professor of Surgery, Faculty of Medicine, Ain Shams University, for his moral support and continuous encouragement; really it is a great honor to work under his guidance and supervision.*

*It gives me a great pleasure to express my deep gratitude to **Prof. Dr. Ahmed Lotfy**, Professor of Surgery, Faculty of Medicine, Ain Shams University, for his kind advice, valuable supervision and his great efforts throughout this work.*

*My deepest appreciation and grateful thanks are to **Assistant Prof. Dr. Alaa Abbas**, Ain Shams University for his sincere help and encouragement throughout the course of this work.*
