To My **Mother**
and SHADY

Acknowledgment

At first and for most my thanks are due to **GOD** for enabling me to finish this thesis.

I would like to express my gratitude to all who helped me in fulfilling my responsibilities toward this thesis.

My special thanks to **Dr. Mohamed Hassan** , Prof. of Public Health, Faculty of Medicine, Cairo University, for his supervision and direction.

My sincere gratitude and appreciation are to **Dr. Fatma Hamdy**, Assistant Prof. of Nursing Service Administration, High Institute of Nursing, Ain Shams University, with kindness, she has put freely at my disposal her immense experience and knowledge and for her support advice throughout my work encouragement and direction.

I would specially like to thank **Dr. Harisa El Shiemy**, Assistant Prof. of Nursing Service Administration, High Institute of Nursing, Ain Shams University, for her constructive assistance and direction, she spent a lot of her valuable time building up this work. It is with great fondness that I will always remember her supervision.

My deep thanks to Dr. Mohsen I. Shehata FRCS.Ed. Consultant Surgeon, for his effort, and his help to fulfill this work especially statistical work.

Finally, Words cannot convey my thanks and appreciation to my mother, for her support, encouragement and sincere help throughout this work.
