Acknowledgment

It is a pleasant situation to express my indebtedness to ***Professor Dr. Ahmed Mohamed Kamel,*** *Professor of Physiology, Ain Shams University for the suggesting, planning and supervision of this work. He spared no time or effort in helping me, without his superleadership, wise counsel and continuous support, this work could not be accomplished.*

I would like to express my thanks and deepest gratitude to ***Dr. Ebtissam Ahmed Abou Shady,*** *Assistant Professor of Physiology, Ain Shams University for her valuable instructions, helpful criticism and suggestions.*

My thanks and gratitude are owed to ***Dr. Thanaa Ibrahim Abou Shouk,*** *Assistant Professor of Biochemistry, Ain Shams University for her constant guidance, valuable instructions and continuous encouragement.*

Much credit also goes to ***Professor Dr. Salah Aid,*** *Professor of Biochemistry, Ain Shams University who so willingly offered all the technical, laboratory facilities and experience to achieve this work. Also I would like to thank all members working in the Coagulation Unit in The Biochemistry Department.*

Finally, I would like to thank all members of Physiology Department for their support and encouragement.
