*Abeer, Karim & Donia*

## *Acknowledgment*

First and foremost, my gratitude goes to Allah who is behind every success.

I would like to express my deep appreciation and gratitude to **Prof. Dr. AHMED GALAL EL-LITHY**, Professor of Obstetrics and Gynecology, Faculty of Medicine, Ain Shams University, for his scientific guidance and generous cooperation.

I am greatly indebted and much obliged to the kindness of **Prof. Dr. SOBHI KHALIL ABOU-LOUZ**, Professor of Obstetrics and Gynecology, Faculty of Medicine, Ain Shams University, for his limitless generosity, fruitful discussion and for his most valuable support.

My sincere thanks and respect presented to **Prof. Dr. MAHMOUD ISMAIL HASSAN**, Professor of biochemistry, Faculty of Medicine, Ain Shams University, for his alert supervision and encouragement all through the work.

I am extremely grateful to **Prof. Dr. MOURAD MOHYEE EL-DIN EL-SAID**, Professor of Obstetrics and Gynecology, Faculty of Medicine, Ain Shams University, for suggesting the point, his keen supervision, valuable criticism and continuous assistance throughout the work.

Many thanks are due to **Dr. LAILA SALAH SEADA**, Lecturer of Pathology, Benha Faculty of Medicine, Zagazig University, for assisting in the immunohistochemistry work of the study.

Many thanks must also extend to the Egyptian Government and Ministry of higher education for their financial support.
