

# **Assessment of Neonatal and Infantile Morbidity due to Instrumental Delivery**

Thesis

Submitted for partial fulfillment of  
M.D. Degree in Obstetrics & Gynecology

By

**Mahmoud El-Sayed Abd El-Razek Mohamed**

M.B. B.Ch., M.S. Obstet. & Gynecol.

Specialist of Obstet. & Gynecol., Ministry of Health

Supervisors

**Prof. Khaled Mohamed El-Mamoun El-Houdiby**

Professor of Obstetrics & Gynecology  
Faculty of Medicine, Ain Shams University

**Prof. Mahmoud Youssef Ali Ahmed Abdulla**

Professor of Obstetrics & Gynecology  
Faculty of Medicine, Ain Shams University

**Prof. Mohamed Adel Al-Nazer**

Professor of Obstetrics & Gynecology  
Faculty of Medicine, Ain Shams University

**Prof. Safaa Refaat El-Sady**

Professor of Phoniatrics  
Faculty of Medicine, Ain Shams University

**FACULTY OF MEDICINE  
AIN SHAMS UNIVERSITY**

**1999**

## Acknowledgement

First, and foremost, I feel always indebted to **ALLAH**, the Most Kind and Most Merciful.

I am greatly indebted to my supervisor; **Prof. Khaled Mohamed El-Mamoun El-Houdiby**, Professor of Obstetrics & Gynecology, Ain Shams University, for his kind help, guidance, and follow up throughout the whole work.

I wish to express my deepest gratitude and sincere appreciation to **Prof. Mahmoud Youssef Ali Ahmed Abdalla**, Professor of Obstetrics & Gynecology, Ain Shams University, for his kind supervision, tremendous assistance, continuous guidance and enthusiastic support.

I am also grateful to **Prof. Mohamed Adel Al-Nazer**, Professor of Obstetrics & Gynecology, Ain Shams University, for his meticulous supervision, great interest and generous help throughout the progress of this work.

I would also like to express my deepest thanks to **Prof. Safaa Refaat El-Sady**, Professor of Phoniatrics, Ain Shams University, for offering me much of her care, and experience throughout the whole work.

Also, I thank **Dr. Yasser Galal Moustafa** Lecturer of Obstetrics & Gynecology, for his guidance and advice

Lastly, I would like to thank the mothers and their infants for their cooperation during the field study.

## **LIST OF ABBREVIATIONS**

B.D.M.H.	Brain Damaged Motory Handicapped
V.E.F.	Vacuum Extraction Forceps
V.E.	Vacuum Extraction
C.N.S.	Central Nervous System
D.L.D.	Delayed Language Development
