**Evaluation of Filamentous Hemagglutinin
in Combination with other *Bordetella pertussis*
Antigens as Acellular Vaccine against
Whooping Cough**

Thesis
Submitted for Partial Fulfillment of Master
Degree in Microbiology

By
Amanie Mohamed Mahmoud Elbarbary

B.Sc. Microbiology
Faculty of Science
Ain Shams University
1992

Supervised By

PROF. DR.

Mohamed Ramadan Abou Shady

Prof. of Microbiology
Microbiology Dept.
Faculty of Science
Ain Shams University

M. Ramadan
M.A. HEDDIA

A.F. Wahby

PROF.DR.
Ahmed Fikry Wahby

Prof. of Biochemistry
Molecular Biology Dept.
Genetic Engineering Division
National Research Center

DR.
Mohamed Abbas Heddia

General manager of Veterinary affair
Egyptian Organization
of Biological Products
and Vaccines

Ain Shams University
Faculty of Science
Department of Microbiology
(2002)

**Evaluation of Filamentous Hemagglutinin
In Combination with other *Bordetella pertussis* Antigens
as Acellular Vaccine against Whooping Cough**

Board of Scientific Supervision

Professor Dr. Mohamed Ramadan Abou Shady

Professor and Head of Microbiology Department
Faculty of Science.

Ain shams University

Cairo – Egypt.

Professor Dr. Ahmed Fikry Wahby

Professor of Biochemistry

Molecular Biology Department

Genetic Engineering Division

National Research Center

Dokki – Cairo - Egypt

Dr. Mohamed Abbas Heddia

General manager of Veterinary affair

Egyptian Organization of Biological Products and
Vaccines

Acknowledgment

I would like to express my sincere thanks to Prof. Dr. **Mohamed Ramadan Abou Shady**, Prof. and head of Microbiology Department, Faculty of Science, Ain Shams University for his close supervision, kind help, and valuable criticism.

I owe special thanks, deepest feeling and sincere gratitude to Prof. Dr. **Ahmed Fikry Wahby**, Prof. of Biochemistry, Department of Molecular Biology, National Research Center for suggesting this point, valuable supervision, continuous guidance, sympathetic help, and encouragement.

Deepest gratitude is indebted to Dr. **Mohamed Abbas Heddia**, and the staff of the Egyptian Organization of Biological Products and Vaccines "Vacsera" for the facilities provided.

Thanks are due to the head of Vacsera Dr. **Mohamed El-Abady** for supporting the kind encouragement and support.

Thanks are due to Dr. Ebtsam Mokhtar El-Kady from NRC for the invaluable help throughout the thesis; Dr. Magdy Nabbil Osman from Vacsera for the assistance in the antigen preparation; Dr Maha Saad El-Din from Vacsera for assistance in evaluation of the vaccine potency.

**To My
PARENTS**

Table of Contents

	Page
LIST OF ABBREVIATIONS.....	I
LIST OF FIGURES.....	II
LIST OF TABLES.....	III
AIM OF WORK.....	IV
ABSTRACT	V
 INTRODUCTION	 1
 MATERIALS AND METHODS.....	 21
1- <i>B. pertussis</i> Culture Supernatant.....	21
2-Purification of the <i>B. pertussis</i> Antigens	22
A-Purification of PT and FHA	22
B-Experimental Acellular Vaccines	25
3-Antibodies to FHA, PT and Whole <i>B. pertussis</i> Cells	26
A-Preparation of the anti- <i>pertussis</i> Antisera.....	26
B- preparation of the biotinylated IgG	27
<i>i-Preparation of DEAE-Cellulose Column</i>	27
<i>ii-Isolation of the IgG</i>	28
<i>iii-Biotinylation of the IgG</i>	28
4-PT Biological Assay.....	28
5-Determination of PT and FHA by ELISA	29
6-Quantification of Serum Antibodies.....	31
A-The ELISA format.....	31
B-Calculation of the ELISA Titers.....	32
7-Analysis of Antigens.....	32
A-SDS-PAGE	32
B-Immunoblotting	35
8-Evaluation of the experimental Acellular Vaccines	36
A-Detoxification of <i>B. pertussis</i> Antigens.....	36
B-Intra-cerebral (IC) Mouse Potency Test.....	36

	Page
RESULTS.....	39
Part-I.....	39
A- Bacterial Growth and Toxin Production.....	39
B- Concentration of the <i>B. pertussis</i> Culture Supernatant	45
Part-II.....	51
- Recovery of the PT and FHA Antigens During Purification.....	51
- Immunogenicity of the Purified PT and FHA	51
- Optimization of ELIZA for determination of antibodies to the <i>B. pertussis</i> antigens	54
Part-III	56
- Recovery of the PT and FHA antigens in the Sephacryl Fractions.....	56
- Antibodies to Both the PT and the FHA in the Sephacryl Fractions.....	60
-Potency of the Sephacryl Fractions	62
DISCUSSION.....	65
