

***Effect of Inhaled Corticosteroid on Bone
Density in Asthmatic Patients***

Thesis

Submitted for partial fulfilment of master degree in medicine

By

Amani Ahmed Zakaria

M.B.B.Ch - Cairo University

Supervisors

Prof. Dr Foze Abbas El Shayeb

Prof of Medicine and Allergy

ACKNOWLEDGEMENT

I wish to express my profound gratitude and deep obligation of Prof. Dr. Foze A. El-Shayeb, Professor of Medicine and Allergy, Faculty of Medicine, Ain Shams University, for her most valuable advices and support. This work owes a lot to her insight and continuous supervision, without which this work could not have been carried out.

I am also grateful to Dr. Hoda Gadallah, Ass. Professor of Medicine and Allergy, Faculty of Medicine, Ain Shams University, for her kind help and constant support to put this present work into effect.

I am deeply thankful to Dr. Omar Hussein Ass. Professor of Radiology, Faculty of Medicine, Ain Shams University, for his cooperation and continuous supervision and guidance.
