ACKNOWLEDGEMENT

*With great pleasure I acknowledge my gratitude to **Prof. Dr. Mohamed R. Abu-Shady**, professor of microbiology and head of microbiology department for suggesting the point, for his expert overall supervision and for his constant encouragement. I am extremely grateful to **Prof. Dr. Fawkia M. El-Beih**, professor of microbiology, for her wise and expert supervision and also for her efforts with me in different fields and by different ways. I am specially grateful to **Dr. Mohamed K. Ibrahim** for his valuable contribution and for his greatest support and also for his precious and excellent advises throughout the course of this work.*

Last, but by no means least, I acknowledge the support given throughout by my parents and my respective wife in all sorts of ways too numerous to mention but deeply appreciated nonetheless.

Dedicated to my :

Parents

Sister

Friends

And specially to my Wife
