Acknowledgment

First of all, thanks to God. I wish to express my thanks and gratitude to Prof. Dr. Nadia M. A. Mowafy, Professor of Clinical Pathology, Ain Shams University, for her constructive criticism, valuable comments and kind advice.

My deepest thanks and special regards are due to Dr. Hanaa M. El Sayed Afify, Assistant Professor of Clinical Pathology, Ain Shams University, for her generous help and continuous encouragement. She provided me with valuable comments and enthusiastically revised the essay.

I am profoundly grateful to Dr. Dahlia A. El Sewefy, Lecturer of Clinical Pathology, Ain Shams University, for her devotion, all the time and effort she sacrificed and the valuable friendship she offered me in order to start and complete this work.

Last, but not least, no words could even express my deepest gratitude to every member of my family. Their favour is unforgettable.

the *Journal of the American Medical Association* (JAMA) and the *New England Journal of Medicine* (NEJM).

For the purpose of this study, we used the following search strategy:

1. We searched the MEDLINE database for the following terms:

1.1. "Cognitive bias" OR "Cognitive bias*" OR "Cognitive biasi*" OR "Cognitive biases"

2. We searched the MEDLINE database for the following terms:

2.1. "Cognitive bias" OR "Cognitive bias*" OR "Cognitive biasi*" OR "Cognitive biases"

3. We searched the MEDLINE database for the following terms:

3.1. "Cognitive bias" OR "Cognitive bias*" OR "Cognitive biasi*" OR "Cognitive biases"

4. We searched the MEDLINE database for the following terms:

4.1. "Cognitive bias" OR "Cognitive bias*" OR "Cognitive biasi*" OR "Cognitive biases"

5. We searched the MEDLINE database for the following terms:

5.1. "Cognitive bias" OR "Cognitive bias*" OR "Cognitive biasi*" OR "Cognitive biases"

6. We searched the MEDLINE database for the following terms:

6.1. "Cognitive bias" OR "Cognitive bias*" OR "Cognitive biasi*" OR "Cognitive biases"

7. We searched the MEDLINE database for the following terms:

7.1. "Cognitive bias" OR "Cognitive bias*" OR "Cognitive biasi*" OR "Cognitive biases"

8. We searched the MEDLINE database for the following terms:

8.1. "Cognitive bias" OR "Cognitive bias*" OR "Cognitive biasi*" OR "Cognitive biases"

9. We searched the MEDLINE database for the following terms:

9.1. "Cognitive bias" OR "Cognitive bias*" OR "Cognitive biasi*" OR "Cognitive biases"

10. We searched the MEDLINE database for the following terms:

10.1. "Cognitive bias" OR "Cognitive bias*" OR "Cognitive biasi*" OR "Cognitive biases"

11. We searched the MEDLINE database for the following terms:

11.1. "Cognitive bias" OR "Cognitive bias*" OR "Cognitive biasi*" OR "Cognitive biases"

12. We searched the MEDLINE database for the following terms:

12.1. "Cognitive bias" OR "Cognitive bias*" OR "Cognitive biasi*" OR "Cognitive biases"

13. We searched the MEDLINE database for the following terms:

13.1. "Cognitive bias" OR "Cognitive bias*" OR "Cognitive biasi*" OR "Cognitive biases"
