DEDICATION

TO MY MOTHER

**TO MY HUSBAND
&
MY LOVELY SONS**

ACKNOWLEDGMENT

Thanks First to God.

I wish to express my deep appreciation and gratitude to DR. Zeinab Loutfy, professor of psychiatric Nursing, High Institute of Nursing /Ain Shams university for giving me the privilege of working under her supervision and for her helpful guidance her advice was always stimulating and essential to complete this work.

I wish to express my sincere thanks and gratitude to DR. Wafaa Elsayed, assistant professor of Pediatric Nursing, High Institute of nursing /Ain Shams university for her great support, close supervision, patience, constructive criticism, valuable guidance, unlimited time and effort. Also cooperation and generous help to complete this work.

I would like to express my thanks to my mother, father, sisters, friends and every one who participated in some way or others to let this work come to such a final picture.

I would like to express my thanks to Ms Orban Ragab, Assistant lecture of Pediatric Nursing for her great support and cooperation.

Content
