

ACID REFLUX DISEASE AND DENTAL EROSION

Thesis

*Submitted for partial fulfillment of Master Degree in
Internal Medicine*

By

Hany Mohamed Mahfouz
M.B.,B.Ch.

Supervised by

Dr. Omnia Ahmed Fahmy

Assis. Prof. of Internal Medicine

Faculty of Medicine, Ain Shams University

Dr. Hanan Hamed Abdel Hamed

Lecturer in Internal medicine

Faculty of Medicine, Ain Shams University

Dr. Insan Mohamed Mostafa

Consultant and Head of Dental Department

El-Mataria Teaching Hospital

Faculty of Medicine

Ain Shams University

1996

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

ACKNOWLEDGEMENT

First and foremost I feel always indebted to **GOD**, the most kind and the most merciful .

I would like to express my deep thanks and gratitude to **Dr. Omnia Ahmed Fahmy**, Assistant Professor of Internal Medicine, Faculty of Medicine, Ain Shams University, for her patience, kind guidance and her continuous encouragement through the work.

I am especially grateful to **Dr. Hanan Hamed Abdel-Hamed**, Lecturer in Internal Medicine, Faculty of Medicine, Ain Shams University, for giving me the honour of working under her supervision and for her great and unlimited help.

I wish to express my deepest gratitude and appreciation to **Dr. Insan Mohamed Mostafa** consultant and Head of Dental Department, El-Matara Teaching Hospital, for sharing and great help in this work.

I am grateful to **Dr. Hosni Rafla**, Consultant and Head of Gastroenterology Department, El-Matara Teaching Hospital for his great help and support in this work.

Also, I would to thank to **Dr.Mohamed Mohi**, Gastroenterology Department, El-Mataria Teaching Hospital, and all members of Gastroenterology Department for their great help and support .

Finally, I feel deeply thanful to all my colleagues who helped me to complete this work.
