شكر

اشكر السادة الاساتذه الذين قاموا بالاشراف وهم :

١) استاذ مساعد د./ نوال محمود سليمان *

٢) استاذ مساعد د./ وجيدة عبد الرحمن انور.

٣) مدرس د./ نوال عبد المنعم فؤاد.

ثم الاشخاص الذين تعاونوا معي في البحث وهم :
- مدرس تمريض الاطفال د./ وفاء السيد.
المعهد العالي للتمريض - جامعة عين شمس.

وكذلك الهيئات : - مركز علاج السموم التابع لجامعة عين شمس.

DEDICATION

***To my mother
For her encouragement***

***To my husband and my daughters
Yasmine, Dalia and Bassant Mohamed Nagib
for their Support and Patience***

ACKNOWLEDGEMENT

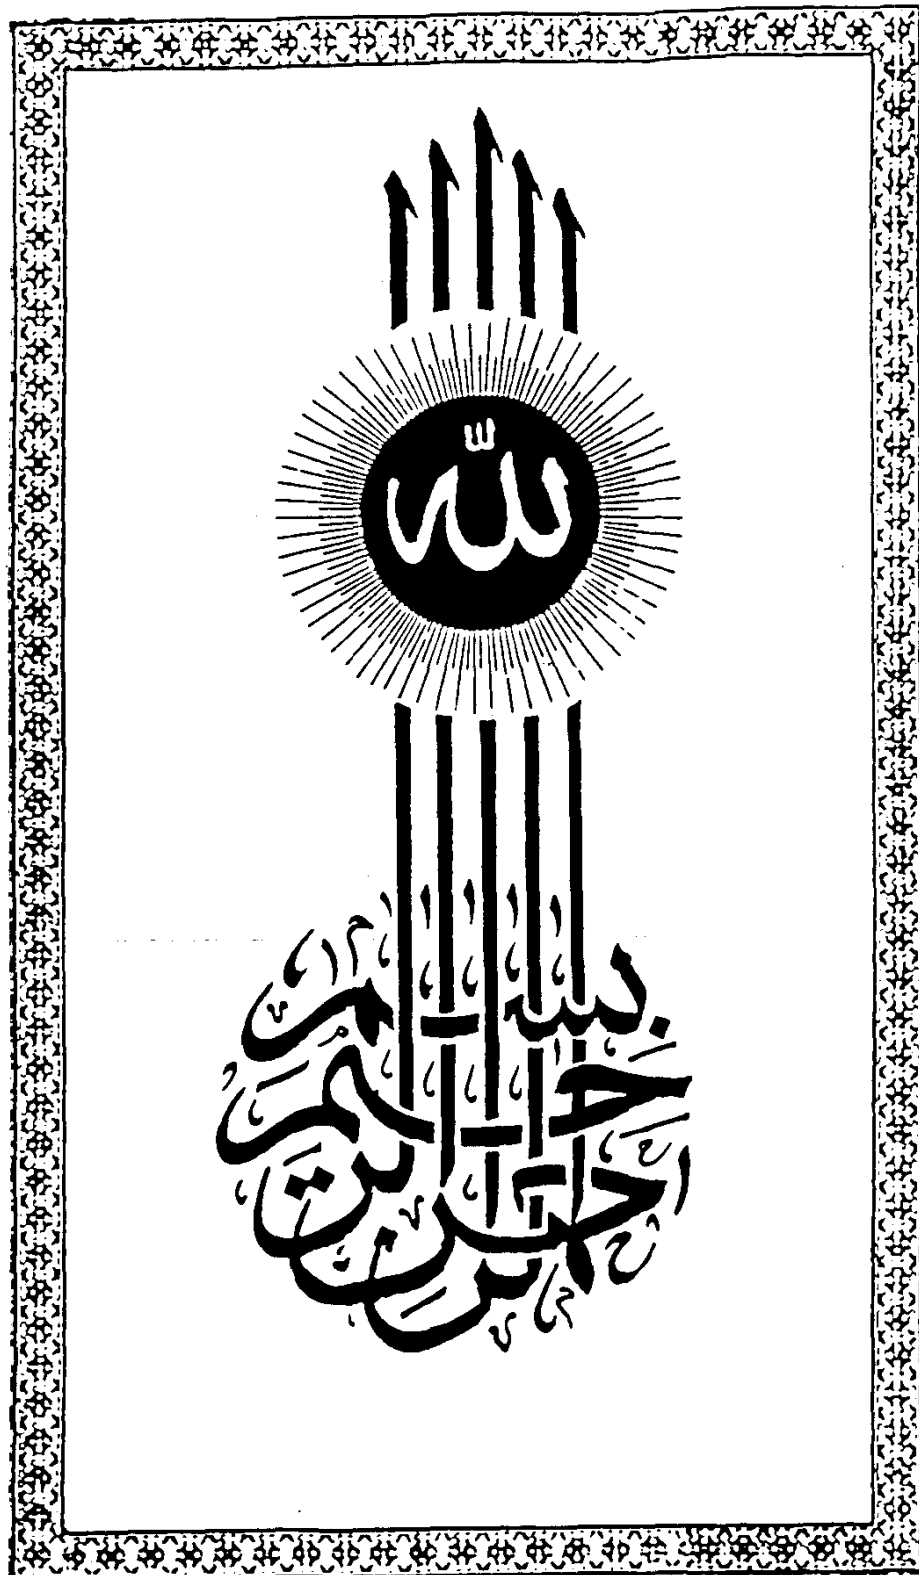

Thanks to God...

I would like to express my deepest thanks to Dr. Nawal Mahmoud Soliman, Assistant professor of Community Health Nursing, High Institute of Nursing, Ain Shams University, for her continuous encouragement, supervision, time and effort to overcome the problems behind this work.

I would like to express my deepest gratitude to Dr. Wagida A. Anwar, Assistant professor of Department, Community, Environmental and Occupational Medicine, Faculty of Medicine, Ain Shams University, for her continuous encouragement and supervision throughout the whole work.

My deepest thanks to Dr. Nawal A. M. Fouad, Lecturer of Community Health Nursing, High Institute of Nursing, Cairo University, for her unlimited help, her constructive criticism and patience for the accomplishment of this work.

Finally, my special thanks go to Dr. Wafaa Elsayed Abd Elgaleal, Lecture of Pediatric Nursing Department for her great help and encouragement.
